ABOUT ME!

Hi! My Name is Miss Annamarie Anderson! I teach special education for kindergarten, first, and fourth grade. I began my first year of teaching in the fall of 2017 at Hartford Central School District. I am excited to have a fabulous fourth year as a Tanager!

SPECIAL EDUCATION!

I support students to reach academic success in many different ways:

In the classroom: I collaborate with your student's general education teacher to provide direct consult teaching and integrated co- teaching services.

Out of the classroom: I teach individualized instruction to students 1:1 or in a small group for Resource Room.
