

Middle/High School Virtual Open House

Welcome to the 2020-2021 School Year

- ❑ It has been great having students back in the building. Everyone is doing a great job with our new health and safety procedures. I anxiously await the day when we can return to normal operations. I look forward to serving the staff and students of HCS in my second year as MS/HS Principal. Please reach out to me with suggestions, comments, concerns, and/or questions.

On behalf of the MS/HS staff here's to a great year!

Attendance Procedures For Remote Days

- Daily attendance is required for all students including remote days.
- If a student has an appointment, please contact Linda Parrott-Fuller in the Guidance Office at 518-632-5222 ext 306
- Staying home for remote learning simply because a student does not want to attend school that day is not a legitimate reason to stay home. Students perform better academically when they have more in person time with their teachers. Allowing students to pick and choose when they want to attend school will likely make the transition back to school harder than it should be once students are obligated by New York State Law to attend school regularly.
- There are only two legitimate reasons for a student to stay home on remote days. One, a concern about being exposed to COVID and two, an illness.
- If a student will be learning remotely for one of the reasons above, please contact Alyssa Arlen, School Nurse, 518-632-5222 ext 398. The student should also email all his or her teachers by 7:45 AM the day of the absence.
