

# Meet The Teacher

## About Me

Hello! My name is Ms. Mariah Ball and I teach Special Education for first and fourth grade. This is my very first year teaching, and I am looking forward to seeing all of the wonderful things that my students will accomplish.

I support my students in many different ways including; collaborating with the general education teachers to support learning in the classroom, and out of the classroom by teaching individualized instruction in 1:1 or small group settings.
