I am writing this letter on behalf of Mr. Daryl Doty. I would like to take this opportunity to recommend him to you.

I have found Mr. Doty to be thorough and competent as he went about fulfilling his role as a Substitute Teaching Assistant and Monitor within our school. He was always willing to take on any assignment that was given to him.

It is my understanding that Mr. Doty is applying for a maintenance position at your school. While I have not worked with him in this capacity, I am sure that he would give his best effort if given the opportunity.

Mr. Andrew Cook
Superintendent of Schools
Hartford Central School District
4704 State Route 149
Hartford, New York 12838

Dear Mr. Cook,

As you may be aware, I am expecting twins on or about April 16, 2022.

This letter is to inform you that pursuant to Article V, Leaves, C. Child Bearing/Child Rearing Leave, of the Hartford Faculty Association Collective Agreement with the School District, I will take a leave from my teaching position commencing on approximately April 1, 2022, assuming that my physician does not require me to be out earlier on medical leave. If that is the case, I will inform the District as soon as I know. The period of disability associated with my pregnancy entitles me to use accumulated sick leave as per paragraph (a.) of Child Bearing/Child Rearing Leave. I will then be on unpaid leave under FMLA once I have exhausted paid sick leave (either my own accumulated leave or sick bank leave) through the end of the school year. (April break does not count in terms of calculating the 12 weeks towards FMLA). Since I do not take the District's health insurance, however, I am not concerned if I extend beyond the 13 weeks under FMLA. If the terms of this letter change, I will notify the district with any new dates associated with my leave.

If you have any questions, please contact me at your earliest convenience.

My intended return date is September 1, 2022.

Sincerely,

Gwen Alowitz-Rehm

Mrs. Dupuis,

I recently learned of the Modified Boys Basketball coaching vacancy. While I don't bring significant coaching experience, I frequently reflect on my time playing sports throughout my adolescent years, with great memories of fundamental skills development, and a sense of camaraderie. I have a thorough understanding of the rules of the game and would look forward to working with athletes and coaching staff across all levels, to build a program introducing and reinforcing the values we would like instilled in our youth.

My family and I reside within the district, and have a desire to be involved in the community, to be positive role models and give all students the opportunities to have valuable educational and extracurricular experiences. I would seek to impress the principles of dedication, commitment and hard work. In basketball especially, teamwork would be paramount, and respect toward each other, as well as our opponents, officials and spectators would be taught and expected. As with anything encountered in life, we must prepare our students for adversity, and coach them to take appropriate action to work through and overcome it.

Please refer to my resume, which has been included for your review. There, you will find a more detailed list of employment history. I would appreciate the opportunity to meet for an interview at your convenience. Thank you for your consideration.

Sincerely,

Mark Connor

The application must be received by the District Clerk no earlier than the thirtieth day before the election/vote. The application must be received by the District Clerk at least seven days before the election/vote if the ballot is to be mailed to the voter or the day before the election/vote if the applicant or his or her agent delivers the application to the District Clerk in person.

A qualified District voter is eligible to vote by absentee ballot if he or she will be:

- a) Absent from the county of his or her residence;
- b) Unable to appear at the polling place because of illness or physical disability, or duties related to the primary care of one or more individuals who are ill or physically disabled, or because he or she will be or is a patient in a hospital;

SUBJECT: ABSENTEE BALLOTS (Cont'd.)

- c) An inmate or patient of a veteran's administration hospital; or
- d) Absent from his or her voting residence because he or she is detained in jail awaiting action by a grand jury or awaiting trial, or confined in jail or prison after a conviction for an offense other than a felony, provided that he or she is qualified to vote in the election district of his or her residence.

Statements on the application for absentee ballot must be signed and dated by the voter.

A voter's absentee ballot must reach the Office of the District Clerk not later than 5 p.m. on the day of the election/vote in order that his or her vote may be canvassed.

Qualified District voters who are unable to personally appear at the polling place because of a permanent illness or physical disability and whose registration record has been marked "permanently disabled" pursuant to law are entitled to receive an absentee ballot without application.

A list of all persons to whom absentee ballots have been issued will be maintained in the Office of the District Clerk and made available for public inspection during regular office hours until the day of the election/vote. Any qualified voter may, upon examination of this list, file a written challenge of the qualifications as a voter of any person whose name appears on this list, stating the reason for the challenge. The written challenge will be transmitted by the District Clerk to the election inspectors on the day of the District election/vote. In addition, any qualified voter may challenge the acceptance of the absentee voter's ballot of any person on this list by making his or her reasons known to the election inspector before the close of the polls.

Military Ballots

The Board authorizes the District Clerk to provide military ballots to military voters to be used for the election of Board members and District public library trustees, the adoption of the annual budget, and District public library budget and referenda.

A military voter is:

- a) A qualified voter of New York State who:
 - 1. Is in actual military service and, by reason of that military service, is absent from the District on the day of registration or election; or
 - 2. Is discharged from that military service within thirty days of an election; or

Bylaws

SUBJECT: ABSENTEE BALLOTS (Cont'd.)

- b) A spouse, parent, child, or dependent of the previously described voter, accompanying or being with that voter, if a qualified voter of New York State and a resident of the District.

A military voter may designate a preference to receive a military ballot application or a military ballot by mail, fax, or email. This designation will remain in effect until revoked or changed by the military voter. If a military voter does not designate a preference, a military ballot application or a military ballot will be provided to the military voter by mail.

Military ballots will be distributed as soon as practicable, but no later than *25 days before the election/vote.

Three days before the first day for distribution of military ballots, the names of all candidates duly nominated for public office and the amendments, referenda, propositions, and questions to be voted for on the ballots will be determined. If, at a later date, the nomination of any candidate named on a military ballot is found invalid, the ballot will still be valid, but no vote for the invalid candidate will be counted in the election/vote.

A voter's military ballot must be received by the Office of the District Clerk** or Board designee not later than 5 p.m. on the day of the election/vote in order that his or her vote may be canvassed at which point the military ballot will be processed in the same manner as absentee ballots.

All military ballot applications and military ballots must be returned by mail or in person.

SUBJECT: NON-DISCRIMINATION AND ANTI-HARASSMENT IN THE DISTRICT**Overview**

The District is committed to creating and maintaining an environment which is free from discrimination and harassment. This policy addresses complaints of discrimination and/or harassment made under applicable federal and state laws and regulations, as well as any applicable District policy, regulation, procedure, or other document such as the District's *Code of Conduct*. It is just one component of the District's overall commitment to maintaining a discrimination and harassment-free educational and work environment.

In accordance with applicable federal and state laws and regulations, the District does not discriminate on the basis of any legally protected class or category in its education programs and activities or when making employment decisions. Further, the District prohibits discrimination and harassment on school property and at school functions on the basis of any legally protected class including, but not limited to:

- a) Race;
- b) Color;
- c) Religion;
- d) Disability;
- e) National origin;
- f) Sexual orientation;
- g) Gender identity or expression;
- h) Military status;
- i) Sex;
- j) Age; and
- k) Marital status.

The District adopts this policy as part of its effort to provide for the prompt and equitable resolution of complaints of discrimination and/or harassment. The District will promptly respond to reports of discrimination and/or harassment, ensure that all investigations are conducted within a reasonably prompt time frame and under a predictable fair grievance process that provides due process protections, and impose disciplinary measures and implement remedies when warranted.

**SUBJECT: NON-DISCRIMINATION AND ANTI-HARASSMENT IN THE DISTRICT
(Cont'd.)**

Inquiries about this policy may be directed to the District's Civil Rights Compliance Officer(s) (CRCO(s)).

Scope and Application

This policy outlines the District's general approach to addressing complaints of discrimination and/or harassment. This policy applies to the dealings between or among the following parties on school property and at school functions:

- a) Students;
- b) Employees;
- c) Applicants for employment;
- d) Paid or unpaid interns;
- e) Anyone who is (or is employed by) a contractor, subcontractor, vendor, consultant, or other person providing services pursuant to a contract in the workplace;
- f) Volunteers; and
- g) Visitors or other third parties.

Further, discrimination and/or harassment that occurs off school property and somewhere other than a school function can disrupt the District's educational and work environment. This conduct can occur in-person or through phone calls, texts, emails, or social media. Accordingly, conduct or incidents of discrimination and/or harassment that create or foreseeably create a disruption within the District may be subject to this policy in certain circumstances.

Other District policies and documents such as regulations, procedures, collective bargaining agreements, and the District's *Code of Conduct* may address misconduct related to discrimination and/or harassment and may provide for additional, different, or more specific grievance procedures depending on a number of factors including, but not limited to, who is involved, where the alleged discrimination and/or harassment occurred, and the basis of the alleged discrimination and/or harassment. These documents must be read in conjunction with this policy.

The dismissal of a complaint under one policy or document does not preclude action under another related District policy or document.

(Continued)

**SUBJECT: NON-DISCRIMINATION AND ANTI-HARASSMENT IN THE DISTRICT
(Cont'd.)****Definitions**

For purposes of this policy, the following definitions apply:

- a) "School property" means in or within any building, structure, athletic playing field, playground, parking lot, or land contained within the real property boundary line of any District elementary or secondary school, or in or on a school bus or District vehicle.
- b) "School function" means a school-sponsored or school-authorized extracurricular event or activity regardless of where the event or activity takes place, including any event or activity that may take place virtually or in another state.

What Constitutes Discrimination and Harassment

Determinations as to whether conduct or an incident constitutes discrimination and/or harassment will be made consistent with applicable federal and state laws and regulations, as well as any applicable District policy, regulation, procedure, or other document such as the District's *Code of Conduct*. These determinations may depend upon a number of factors, including, but not limited to: the particular conduct or incident at issue; the ages of the parties involved; the context in which the conduct or incident took place; the relationship of the parties to one another; the relationship of the parties to the District; and the protected class or characteristic that is alleged to have been the basis for the conduct or incident. The examples below are intended to serve as a general guide for individuals in determining what may constitute discrimination and/or harassment. These examples should not be construed to add or limit the rights that individuals and entities possess as a matter of law.

Generally stated, discrimination consists of the differential treatment of a person or group of people on the basis of their membership in a legally protected class. Discriminatory actions may include, but are not limited to: refusing to promote or hire an individual on the basis of his or her membership in a protected class; denying an individual access to facilities or educational benefits on the basis of his or her membership in a protected class; or impermissibly instituting policies or practices that disproportionately and adversely impact members of a protected class.

Generally stated, harassment consists of subjecting an individual, on the basis of his or her membership in a legally protected class, to unwelcome verbal, written, or physical conduct which may include, but is not limited to: derogatory remarks, signs, jokes, or pranks; demeaning comments or behavior; slurs; mimicking; name calling; graffiti; innuendo; gestures; physical contact; stalking; threatening; bullying; extorting; or the display or circulation of written materials or pictures.

(Continued)

**SUBJECT: NON-DISCRIMINATION AND ANTI-HARASSMENT IN THE DISTRICT
(Cont'd.)**

This conduct may, among other things, have the purpose or effect of: subjecting the individual to inferior terms, conditions, or privileges of employment; creating an intimidating, hostile, or offensive environment; substantially or unreasonably interfering with an individual's work or a student's educational performance, opportunities, benefits, or well-being; or otherwise adversely affecting an individual's employment or educational opportunities. Petty slights or trivial inconveniences generally do not constitute harassing conduct.

Civil Rights Compliance Officer

The District has designated the following District employee(s) to serve as its CRCO(s): Superintendent of Schools and the Middle/High School Principal

The CRCO(s) will coordinate the District's efforts to comply with its responsibilities under applicable non-discrimination and anti-harassment laws and regulations including, but not limited to: the Americans with Disabilities Act of 1990, Section 504 of the Rehabilitation Act of 1973, Title VI of the Civil Rights Act of 1964, and the Age Discrimination Act of 1975.

Where appropriate, the CRCO(s) may seek the assistance of other District employees, such as the District's Title IX Coordinator(s) or Dignity Act Coordinator(s) (DAC(s)), or third parties in investigating, responding to, and remedying complaints of discrimination and/or harassment.

Reporting Allegations of Discrimination and/or Harassment

Any person may report discrimination and/or harassment regardless of whether they are the alleged victim or not. Reports may be made in person, by using the contact information for the CRCO, or by any other means that results in the CRCO receiving the person's oral or written report. This report may be made at any time (including during non-business hours) by using the telephone number or email address, or by mail to the office address, listed for the CRCO.

Reports of discrimination and/or harassment may also be made to any other District employee including a supervisor or building principal. All reports of discrimination and/or harassment will be immediately forwarded to the CRCO. Reports may also be forwarded to other District employees depending on the allegations.

All District employees who witness or receive an oral or written report of discrimination and/or harassment must immediately inform the CRCO. Failure to immediately inform the CRCO may subject the employee to discipline up to and including termination.

(Continued)

**SUBJECT: NON-DISCRIMINATION AND ANTI-HARASSMENT IN THE DISTRICT
(Cont'd.)**

In addition to complying with this policy, District employees must comply with any other applicable District policy, regulation, procedure, collective bargaining agreement, or other document such as the District's *Code of Conduct*. Applicable documents include, but are not limited to, the District's policies, regulations, and procedures related to Title IX, sexual harassment in the workplace, and the Dignity for All Students Act (DASA).

If the CRCO is unavailable, including due to a conflict of interest or other disqualifying reason, the report will be directed to another CRCO, if the District has designated another individual to serve in that capacity. If the District has not designated another CRCO, the Superintendent will ensure that another person with the appropriate training and qualifications is appointed to act as the CRCO.

Grievance Process for Complaints of Discrimination and/or Harassment

The District will act to promptly, thoroughly, and equitably investigate all complaints, whether oral or written, of discrimination and/or harassment based on any legally protected class and will promptly take appropriate action to protect individuals from further discrimination and/or harassment. The CRCO will oversee the District's investigation of all complaints of discrimination and/or harassment. In the event an anonymous complaint is filed, the District will respond to the extent possible.

If an investigation reveals that discrimination and/or harassment based on a legally protected class has occurred, the District will take immediate corrective action as warranted. This action will be taken in accordance with applicable federal and state laws and regulations, as well as any applicable District policy, regulation, procedure, collective bargaining agreement, third-party contract, or other document such as the District's *Code of Conduct*.

Knowingly Makes False Accusations

Any employee or student who knowingly makes false accusations against another individual as to allegations of discrimination and/or harassment will face appropriate disciplinary action.

Prohibition of Retaliatory Behavior (Commonly Known as "Whistle-Blower" Protection)

The District prohibits retaliation against any individual because the individual made a report or complaint, testified, assisted, or participated or refused to participate in an investigation, proceeding, or hearing related to a complaint of discrimination and/or harassment.

Complaints of retaliation may be directed to the CRCO. If the CRCO is unavailable, including due to a conflict of interest or other disqualifying reason, the report will be directed to another CRCO, if the District has designated another individual to serve in that capacity. If the District has not designated another CRCO, the Superintendent will ensure that another person with the appropriate training and qualifications is appointed to act as the CRCO.

(Continued)

**SUBJECT: NON-DISCRIMINATION AND ANTI-HARASSMENT IN THE DISTRICT
(Cont'd.)**

Where appropriate, follow-up inquiries will be made to ensure that the discrimination and/or harassment has not resumed and that those involved in the investigation have not suffered retaliation.

Confidentiality

To the extent possible, all complaints will be treated as confidential. Disclosure may be necessary in certain circumstances such as to complete a thorough investigation and/or notify law enforcement officials. All disclosures will be in accordance with law and regulation.

Training

In order to promote familiarity with issues pertaining to discrimination and harassment in the District, and to help reduce incidents of prohibited conduct, the District will provide appropriate information and/or training to employees and students. As may be necessary, special training will be provided for individuals involved in the handling of discrimination and/or harassment complaints.

Notification

Prior to the beginning of each school year, the District will issue an appropriate public announcement or publication which advises students, parents or legal guardians, employees, and other relevant individuals of the District's established grievance process for resolving complaints of discrimination and/or harassment. This announcement or publication will include the name, office address, telephone number, and email address of the CRCO(s). The District's website will reflect current and complete contact information for the CRCO(s).

A copy of this policy and its corresponding regulations and/or procedures will be available upon request and will be posted and/or published in appropriate locations and/or District publications.

Additional Provisions

Regulations and/or procedures will be developed for reporting, investigating, and remedying allegations of discrimination and/or harassment.

Adopted: 2/8/16
Revised: 11/21/16;

SUBJECT: TITLE IX AND SEX DISCRIMINATION**Overview**

The District is committed to creating and maintaining education programs and activities which are free from discrimination and harassment. This policy addresses complaints of sex discrimination, including sexual harassment, made under Title IX of the Education Amendments Act of 1972 and its implementing regulations (Title IX). It is just one component of the District's overall commitment to maintaining a discrimination and harassment-free educational and work environment.

Title IX prohibits discrimination on the basis of sex in any education program or activity operated by a district that receives federal financial assistance. As required by Title IX, the District does not discriminate on the basis of sex in its education programs and activities or when making employment decisions.

The District adopts this policy as part of its effort to provide for the prompt and equitable resolution of complaints of sex discrimination, including sexual harassment. The District will promptly respond to reports of sex discrimination, ensure that all investigations are conducted within a reasonably prompt time frame and under a predictable fair grievance process that provides due process protections to complainants and respondents, and impose sanctions and implement remedies when warranted.

Inquiries about this policy or the application of Title IX may be directed to the District's Title IX Coordinator(s), the Assistant Secretary for Civil Rights of the United States Department of Education, or both.

Scope and Application of Policy

This policy is limited to addressing complaints of sex discrimination, including sexual harassment, that fall within the scope of Title IX which, among other things, has a specific definition of sexual harassment and applies only to sex discrimination occurring against a person in the United States. This policy applies to any individual participating in or attempting to participate in the District's education programs or activities including students and employees.

Other District policies and documents address sex-based misconduct and may have different definitions, standards of review, and grievance procedures. These documents must be read in conjunction with this policy as they may cover incidents of sex-based misconduct not addressed by Title IX.

If the allegations forming the basis of a formal complaint of sexual harassment, if proven, would constitute prohibited conduct under Title IX, then the grievance process outlined in this policy would be applied to the investigation and adjudication of all the allegations. Depending on the allegations, additional grievance procedures may apply.

(Continued)

SUBJECT: TITLE IX AND SEX DISCRIMINATION (Cont'd.)

The dismissal of a formal complaint of sexual harassment under Title IX does not preclude action under another related District policy, procedure, collective bargaining agreement, or other document such as the District's *Code of Conduct*.

What Constitutes Sex Discrimination Including Sexual Harassment

Title IX prohibits various types of sex discrimination including, but not limited to: sexual harassment; the failure to provide equal athletic opportunity; sex-based discrimination in a District's science, technology, engineering, and math (STEM) courses and programs; and discrimination based on pregnancy.

Under Title IX, sexual harassment includes conduct on the basis of sex that satisfies one or more of the following:

- a) An employee of the District conditioning the provision of an aid, benefit, or service of the District on an individual's participation in unwelcome sexual conduct;
- b) Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's education program or activity;
- c) Sexual assault, meaning an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation;
- d) Dating violence, meaning violence committed by a person:
 - 1. Who is or has been in a social relationship of a romantic or intimate nature with the victim; and
 - 2. Where the existence of such a relationship will be determined based on a consideration of the following factors:
 - (a) The length of the relationship;
 - (b) The type of relationship;
 - (c) The frequency of interaction between the persons involved in the relationship;
- e) Domestic violence, meaning felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the

(Continued)

SUBJECT: TITLE IX AND SEX DISCRIMINATION (Cont'd.)

victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction; or

- f) Stalking, meaning engaging in a course of conduct directed at a specific person that would cause a reasonable person to:
 - 1. Fear for his or her safety or the safety of others; or
 - 2. Suffer substantial emotional distress.

Title IX Coordinator

*The District has designated and authorized the following District employee(s) to serve as its Title IX Coordinator: Superintendent of Schools: 518-632-5222

The Title IX Coordinator, who must be referred to as such, will coordinate the District's efforts to comply with its responsibilities under Title IX. However, the responsibilities of the Title IX Coordinator(s) may be delegated to other personnel.

Where appropriate, the Title IX Coordinator(s) may seek the assistance of the District's Civil Rights Compliance Officer(s) (CRCO(s)) and/or Dignity Act Coordinator(s) (DAC(s)) in investigating, responding to, and remedying complaints of sex discrimination, including sexual harassment.

Reporting Allegations of Sex Discrimination

Any person may report sex discrimination, including sexual harassment, regardless of whether they are the alleged victim or not. Reports may be made in person, by using the contact information for the Title IX Coordinator, or by any other means that results in the Title IX Coordinator receiving the person's oral or written report. This report may be made at any time (including during non-business hours) by using the telephone number or email address, or by mail to the office address, listed for the Title IX Coordinator.

Reports of sex discrimination may also be made to any other District employee including a supervisor, building principal, or the District's CRCO. All reports of sex discrimination, including sexual harassment, will be forwarded to the District's Title IX Coordinator. Reports may also be forwarded to other District employees depending on the allegations.

(Continued)

SUBJECT: TITLE IX AND SEX DISCRIMINATION (Cont'd.)

All District employees who witness or receive an oral or written report of sex discrimination must immediately inform the Title IX Coordinator. Failure to immediately inform the Title IX Coordinator may subject the employee to discipline up to and including termination.

Making a report of sexual harassment is not the same as filing a formal complaint of sexual harassment. A formal complaint is a document either filed by a complainant or a parent or legal guardian who has a right to act on behalf of the complainant or signed by the Title IX Coordinator which alleges sexual harassment against a respondent and requests that the District investigate the allegations. While the District must respond to all reports it receives of sexual harassment, the Title IX grievance process is only initiated with the filing of a formal complaint.

In addition to complying with this policy, District employees must comply with any other applicable District policy, procedure, collective bargaining agreement, or other document such as the District's *Code of Conduct*. This includes, but is not limited to, Policy #7550 -- Dignity for All Students (DASA) which requires District employees to make an oral report promptly to the Superintendent or principal, their designee, or the DAC not later than one school day after witnessing or receiving an oral or written report of harassment, bullying, and/or discrimination of a student. Two days after making the oral report, DASA further requires that the District employee file a written report with the Superintendent or principal, their designee, or the DAC.

If the Title IX Coordinator is unavailable, including due to a conflict of interest or other disqualifying reason, the report will be directed to another Title IX Coordinator, if the District has designated another individual to serve in that capacity. If the District has not designated another Title IX Coordinator, the Superintendent will ensure that another person with the appropriate training and qualifications is appointed to act as the Title IX Coordinator.

Grievance Process for Complaints of Sex Discrimination Other than Sexual Harassment

The District will provide for the prompt and equitable resolution of reports of sex discrimination other than sexual harassment. In responding to these reports, the Title IX Coordinator will utilize, as applicable, the grievance process set forth in Policy #3420 -- Non-Discrimination and Anti-Harassment in the District and any other applicable District policy, procedure, collective bargaining agreement, or other document such as the District's *Code of Conduct*.

Grievance Process for Formal Complaints of Sexual Harassment

The District will respond to allegations of sexual harassment in a manner that is not deliberately indifferent whenever it has actual knowledge of sexual harassment in an education program or activity of the District. The District is deliberately indifferent only if its response to sexual harassment is clearly unreasonable in light of the known circumstances. For purposes of reports and formal complaints of sexual harassment under Title IX, education program or activity includes locations, events, or circumstances over which the District exercised substantial control over both the respondent(s) and the context in which the sexual harassment occurred.

(Continued)

SUBJECT: TITLE IX AND SEX DISCRIMINATION (Cont'd.)

The District will follow a grievance process that complies with law and regulation before the imposition of any disciplinary sanctions or other actions that are not supportive measures against a respondent.

The District will conduct the grievance process in a timely manner designed to provide all parties with a prompt and equitable resolution. It is anticipated that, in most cases, the grievance process will be conducted within a reasonably prompt manner and follow the time frames established in this policy.

Definitions

- a) "Actual knowledge" means notice of sexual harassment or allegations of sexual harassment to a District's Title IX Coordinator or any official of the District who has authority to institute corrective measures on behalf of the District, or to any District employee. Imputation of knowledge based solely on vicarious liability or constructive notice is insufficient to constitute actual knowledge. This standard is not met when the only official of the District with actual knowledge is the respondent. The mere ability or obligation to report sexual harassment or to inform a student about how to report sexual harassment, or having been trained to do so, does not qualify an individual as one who has authority to institute corrective measures on behalf of the District. "Notice" as used in this paragraph includes, but is not limited to, a report of sexual harassment to the Title IX Coordinator as described in this policy.
- b) "Complainant" means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.
- c) "Days" means business days, but excludes any weekday during which the school is closed.
- d) "Formal complaint" means a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that the District investigate the allegation of sexual harassment. At the time of filing a formal complaint, a complainant must be participating in or attempting to participate in the education program or activity of the District with which the formal complaint is filed. A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by email, by using the contact information required to be listed for the Title IX Coordinator, and by any additional method designated by the District. As used in this paragraph, the phrase "document filed by a complainant" means a document or electronic submission (such as by email or through an online portal provided for this purpose by the District) that contains the complainant's physical or digital signature, or otherwise indicates that the complainant is the person filing the formal complaint. Where the Title IX Coordinator signs a formal complaint, the Title IX Coordinator is not a complainant or otherwise a party, and must comply with the requirements of law and regulation.

(Continued)

SUBJECT: TITLE IX AND SEX DISCRIMINATION (Cont'd.)

- e) "Respondent" means an individual who has been reported to be the perpetrator of conduct that could constitute sexual harassment.
- f) "Supportive measures" means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. These measures are designed to restore or preserve equal access to the District's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the District's educational environment, or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. The District must maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the District to provide the supportive measures. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures.

General Requirements for the Investigative and Grievance Process

During the investigation of a formal complaint and throughout the grievance process, the District will ensure that:

- a) Complainants and respondents are treated equitably. This includes applying any provisions, rules, or practices incorporated into the District's grievance process, other than those required by law or regulation, equally to both parties.
- b) All relevant evidence is objectively evaluated, including both inculpatory and exculpatory evidence. Inculpatory evidence implicates or tends to implicate an individual in a crime or wrongdoing. Exculpatory evidence frees or tends to free an individual from blame or accusation.
- c) The Title IX Coordinator, investigator, decision-maker involved in the grievance process, or any person designated by the District to facilitate any informal resolution process does not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.
- d) Respondents are presumed not to be responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.

(Continued)

Community Relations

SUBJECT: TITLE IX AND SEX DISCRIMINATION (Cont'd.)

- e) The grievance process, including any appeals or informal resolutions, is concluded within a reasonably prompt time frame and that the process is only temporarily delayed or extended for good cause. Good cause includes, but is not limited to, considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or accommodation of disabilities. Whenever the time frame is temporarily delayed or extended, written notice will be provided to all complainants and respondents of the delay or extension and the reasons for the action.
- f) The range of possible disciplinary sanctions and remedies that may be implemented by the District following any determination regarding responsibility are described to any known party.
- g) The same standard of evidence is used to determine responsibility in all formal complaints.
- h) The procedures and permissible bases for an appeal are known to all complainants and respondents.
- i) The range of supportive measures available are known to all complainants and respondents.
- j) There is no requirement, allowance of, reliance on, or otherwise use of questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding the privilege has waived the privilege.
- k) The burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rests on the District and not on the parties.
- l) The Title IX Coordinator, the investigator, any decision-maker, or any other person participating on behalf the District does not access, consider, disclose, or otherwise use a party's records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional's or paraprofessional's capacity, or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party, unless the District obtains that party's voluntary, written consent to do so for the grievance process. If the party is not an eligible student, as defined in FERPA as a student who has reached 18 years of age or is attending a post-secondary institution, the District will obtain the voluntary, written consent of a parent.
- m) The parties have an equal opportunity to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence.
- n) Credibility determinations are not be based on a person's status as a complainant, respondent, or witness.

(Continued)

SUBJECT: TITLE IX AND SEX DISCRIMINATION (Cont'd.)

- o) The ability of either party to discuss the allegations under investigation or to gather and present relevant evidence is not restricted.
- p) The parties are provided with the same opportunities to have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney, and not limit the choice or presence of advisor for any complainant or respondent in any meeting or grievance proceeding. However, the District may establish restrictions regarding the extent to which the advisor may participate in the proceedings, as long as the restrictions apply equally to both parties.
- q) Written notice of the date, time, location, participants, and purpose of all hearings, investigative interviews, or other meetings, is provided to any party whose participation is invited or expected with sufficient time for the party to prepare to participate.
- r) The parties are provided with equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a formal complaint, including the evidence upon which the District does not intend to rely on in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to conclusion of the investigation.
- s) Any document sent to a minor or legally incompetent person is also sent to the party's parent or legal guardian.
- t) Any document sent to a party is also sent to the party's advisor, if known.

After a Report of Sexual Harassment Has Been Made

After receiving a report of sexual harassment, the Title IX Coordinator will:

- a) Promptly contact the complainant to discuss and offer supportive measures;
- b) Inform the complainant both of the range of supportive measures available and that these measures are available regardless of whether a formal complaint is filed;
- c) Consider the complainant's wishes with respect to supportive measures; and
- d) Explain to the complainant the process for filing a formal complaint.

The Title IX Coordinator may also contact the respondent to discuss and/or impose supportive measures.

(Continued)

SUBJECT: TITLE IX AND SEX DISCRIMINATION (Cont'd.)

Requests for confidentiality or use of anonymous reporting may limit how the District is able to respond to a report of sexual harassment.

Emergency Removal and Administrative Leave

At any point after receiving a report or formal complaint of sexual harassment, the District may immediately remove a respondent from the District's education program or activity on an emergency basis, provided that the District:

- a) Undertakes an individualized safety and risk analysis;
- b) Determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal; and
- c) Provides the respondent with notice and an opportunity to challenge the decision immediately following the removal.

The District should coordinate their Title IX compliance efforts with special education staff when initiating an emergency removal of a student with a disability from an education program or activity as the removal could constitute a change of placement under the IDEA or Section 504.

The District may place a non-student employee respondent on administrative leave with or without pay during the pendency of the grievance process in accordance with law and regulation and any applicable District policy, procedure, collective bargaining agreement, or other document such as the District's *Code of Conduct*.

Filing a Formal Complaint

A complainant may file a formal complaint with the Title IX Coordinator in person or by mail, email, or other method made available by the District. The complainant must be participating in or attempting to participate in the education program or activity of the District at the time of filing the complaint. The filing of a formal complaint initiates the grievance process.

A formal complaint must be signed by the complainant, the complainant's parent or legal guardian as appropriate, or the Title IX Coordinator. Where a parent or legal guardian signs the complaint, the parent or legal guardian does not become the complainant; rather the parent or legal guardian acts on behalf of the complainant. The Title IX Coordinator may sign the formal complaint, but his or her signature does not make him or her a complainant or a party to the complaint. If the formal complaint is signed by the Title IX Coordinator, the Title IX Coordinator is still obligated to comply with the grievance process outlined in this policy.

(Continued)

SUBJECT: TITLE IX AND SEX DISCRIMINATION (Cont'd.)

The complainant, or the complainant's parent or legal guardian, must physically or digitally sign the formal complaint, or otherwise indicate that the complainant is the person filing the formal complaint. When a formal complaint is filed, the Title IX Coordinator must send a written notice of allegations to all parties which includes the identities of all known parties.

The District will not discriminate on the basis of sex in its treatment of a complainant or a respondent in responding to a formal complaint of sexual harassment.

The formal complaint form may be obtained from the District's Title IX Coordinator or found on the District's website.

Consolidation of Formal Complaints

The District may consolidate formal complaints of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances.

Written Notice of Allegations

Upon receipt of a formal complaint, the District will send all known parties written notice of:

- a) The District's grievance process, including any informal resolution process; and
- b) The allegations of sexual harassment which will:
 1. Provide sufficient details known at the time and sufficient time to prepare a response before any initial interview. Sufficient details include the identities of the parties involved in the incident, if known, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident, if known;
 2. State that the respondent is presumed not to be responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process;
 3. Inform the parties that they may have an advisor of their choice, who may be, but is not required to be, an attorney;
 4. Inform the parties that they may inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in the formal complaint; and

(Continued)

SUBJECT: TITLE IX AND SEX DISCRIMINATION (Cont'd.)

5. Include notice of any provision in any applicable District policy, procedure, collective bargaining agreement, or other document such as the District's *Code of Conduct* that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.

If, in the course of an investigation, the District decides to investigate allegations about any complainant or respondent that were not included in the initial notice, the District will provide another notice of the additional allegations to the parties whose identities are known.

Investigation of a Formal Complaint

The Title IX Coordinator will oversee the District's investigation of all formal complaints. During the investigation of a formal complaint, the Title IX Coordinator or another District employee may serve as the District's investigator. The District may also outsource all or part of an investigation to appropriate third parties. The outsourcing of all or part of an investigation does not relieve the District from its obligation to comply with law and regulation.

It is anticipated that most investigations will be completed within 10 school days.

During the investigation of a formal complaint, the investigator will, as appropriate:

- a) Collect, review, and preserve all evidence including, but not limited to, any relevant documents, videos, electronic communications, and phone records.
- b) Interview all relevant persons including, but not limited to, any complainants, respondents, and witnesses. Interviews of complainants and respondents will be conducted separately. If a student is involved, the District will follow any applicable District policy, procedure, or other document such as the District's *Code of Conduct* regarding the questioning of students.
- c) Create written documentation of the investigation (such as a letter, memo, or email), which contains the following:
 1. A list of all documents reviewed, along with a detailed summary of relevant documents;
 2. A list of names of those interviewed, along with a detailed summary of their statements;
 3. A timeline of events; and
 4. A summary of prior relevant incidents, reported or unreported.

(Continued)

SUBJECT: TITLE IX AND SEX DISCRIMINATION (Cont'd.)

- d) Keep any written documentation and associated documents in a secure and confidential location.

Prior to completion of the investigative report, the District will send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy. The parties will have at least ten days to submit a written response, which the investigator will consider prior to completion of the investigative report.

At the end of the investigation, an investigative report will be created that fairly summarizes all relevant evidence.

At least ten days prior to a hearing or other determination regarding responsibility, the investigative report will be sent to each party and the party's advisor, if any, in an electronic format or a hard copy, for their review and written response.

Dismissal of a Formal Complaint

The District must investigate the allegations in a formal complaint. The District must dismiss a formal complaint under Title IX if the conduct alleged:

- a) Would not constitute sexual harassment even if proven;
- b) Did not occur in the District's education program or activity; or
- c) Did not occur against a person in the United States.

Further, the District may dismiss a formal complaint or any of its allegations under Title IX, if at any time during the investigation or hearing:

- a) A complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any of its allegations;
- b) The respondent is no longer enrolled or employed by the District; or
- c) Specific circumstances prevent the District from gathering evidence sufficient to reach a determination as to the formal complaint or any of its allegations.

Upon a dismissal of a formal complaint, the District must promptly send written notice of the dismissal and reason(s) for the dismissal simultaneously to the parties.

The dismissal of a formal complaint under Title IX does not preclude action under another related District policy, procedure, collective bargaining agreement, or other document such as the District's *Code of Conduct*.

(Continued)

SUBJECT: TITLE IX AND SEX DISCRIMINATION (Cont'd.)Informal Resolutions

Before reaching a determination regarding responsibility, but only after a formal complaint is filed, the District may offer and facilitate the use of an informal resolution process, such as mediation, that does not involve a full investigation and adjudication of the formal complaint.

It is anticipated that most informal resolutions will be completed within 10 school days.

The District will not require that parties participate in an informal resolution process. The District will not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student. Further, the District will not require the waiver of the right to an investigation and adjudication of formal complaints of sexual harassment as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right.

If the District offers and facilitates the use of an informal resolution process, it will:

- a) Provide written notice to all known parties which details:
 - 1. The allegations in the formal complaint;
 - 2. The requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a formal complaint arising from the same allegations, provided, however, that at any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint;
 - 3. Any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared; and
- b) Obtain the parties' voluntary, written consent to the informal resolution process.

Hearings and Determination Regarding Responsibility

The District will designate an individual decision-maker or a panel of decision-makers to issue a written determination regarding responsibility. A decision-maker can either be a District employee or, where appropriate, a third-party. They cannot be the same individual as either the Title IX Coordinator or the investigator(s).

(Continued)

SUBJECT: TITLE IX AND SEX DISCRIMINATION (Cont'd.)

The District's grievance process may, but is not required to, provide for a hearing. The determination as to whether a hearing will be provided will be made on a case-by-case basis. If a hearing is provided, the District will make all evidence subject to the parties' inspection and review available to give each party equal opportunity to refer to this evidence during the hearing, including for purposes of cross-examination.

With or without a hearing, before reaching a determination regarding responsibility, the decision-maker(s) will afford each party the opportunity to:

- a) Submit written, relevant questions that a party wants asked of any party or witness within five school days after the parties have received the investigative report;
- b) Provide each party with the answers given by any party or witness within five school days of receiving the questions; and
- c) Allow for additional, limited follow-up questions and responses from each party to occur within five school days after the parties have received responses to their initial questions.

Questions and evidence about a complainant's sexual predisposition or prior sexual behavior will not be considered, unless the questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent. The decision-maker(s) will explain to the party proposing the questions any decision to exclude a question as not relevant.

The decision-maker(s) will issue a written determination regarding responsibility to the Title IX Coordinator, the Superintendent, and all parties simultaneously ten school days after all follow-up questions have been responded to or after the hearing, if one has been provided.

(Continued)

SUBJECT: TITLE IX AND SEX DISCRIMINATION (Cont'd.)

To reach this determination, the decision-maker(s) will use the preponderance of the evidence standard which is the standard of evidence that will be applied in all formal complaints of sexual harassment. This standard is understood to mean that the party with the burden of persuasion must prove that a proposition is more probably true than false meaning a probability of truth greater than 50 percent.

The written notice of the determination regarding responsibility will include:

- a) Identification of the allegations potentially constituting sexual harassment;
- b) A description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held;
- c) Findings of fact supporting the determination;
- d) Conclusions regarding the application of any applicable District policy, procedure, collective bargaining agreement, or other document such as the District's *Code of Conduct* to the facts;
- e) A statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the District is imposing on the respondent, and whether remedies designed to restore or preserve equal access to the District's education program or activity will be provided by the District to the complainant; and
- f) The District's procedures and permissible bases for the complainant and respondent to appeal.

(Continued)

SUBJECT: TITLE IX AND SEX DISCRIMINATION (Cont'd.)Finality of Determination Regarding Responsibility

The determination regarding responsibility becomes final either on the date that the District provides the parties with the written determination of the result of the appeal, if an appeal is filed, or if an appeal is not filed, the date on which an appeal would no longer be considered timely.

Where a determination regarding responsibility for sexual harassment has been made against the respondent, remedies will be provided to a complainant and disciplinary sanctions may be imposed on a respondent. Remedies will be designed to restore or preserve equal access to the District's education program or activity. Remedies and disciplinary sanctions will be implemented in accordance with applicable laws and regulations, as well as any District policy, procedure, collective bargaining agreement, or other document such as the District's *Code of Conduct*.

The Title IX Coordinator is responsible for the effective implementation of any remedies and/or disciplinary sanctions. The Title IX Coordinator will work with other individuals as necessary to effectively implement remedies and/or disciplinary sanctions.

Appeals

Either party may file an appeal from a determination regarding responsibility or from the District's dismissal of a formal complaint or any of its allegations. Appeals must be submitted in writing to the Title IX Coordinator within ten school days of the written notice of the determination regarding responsibility or dismissal of the formal complaint or any of its allegations.

An appeal may only be based upon one or more of the following bases:

- a) Procedural irregularity that affected the outcome of the matter;
- b) New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and
- c) The Title IX Coordinator, investigator, or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.

The bases on which a party is seeking an appeal should be specifically stated in the party's written appeal.

(Continued)

SUBJECT: TITLE IX AND SEX DISCRIMINATION (Cont'd.)

Upon receipt of an appeal, the District will:

- a) Notify the other party in writing that an appeal has been filed and implement appeal procedures equally for both parties;
- b) Ensure that any decision-maker for the appeal:
 1. Is not the same person as any decision-maker that reached the initial determination regarding responsibility or dismissal, investigator, or Title IX Coordinator;
 2. Does not have any conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent;
- c) Give all parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome. Parties will have to submit these written statements within *[a reasonably prompt time frame] after the parties have been notified of the appeal;
- d) Issue a written decision describing the result of the appeal and the rationale for the result; and
- e) Provide the written decision simultaneously to the Title IX Coordinator, the Superintendent, and all parties within **[a reasonably prompt time frame] after receiving the parties written statements in support of, or challenging, the outcome.

Prohibition of Retaliatory Behavior (Commonly Known as "Whistle-Blower" Protection)

The District prohibits retaliation against any individual for the purpose of interfering with his or her Title IX rights or because the individual made a report or complaint, testified, assisted, or participated or refused to participate in an investigation, proceeding, or hearing under Title IX.

Charging an individual with *Code of Conduct* or other applicable violations that do not involve sex discrimination, including sexual harassment, but arise out of the same facts or circumstances as a report or complaint of sex discrimination for the purpose of interfering with any right or privilege secured by Title IX, constitutes retaliation. Charging an individual with a *Code of Conduct* or other applicable violation for making a materially false statement in bad faith during a grievance proceeding does not constitute retaliation, provided, however, that a determination regarding responsibility, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

* and ** Customize to District -- The District should indicate a specific number of days.

(Continued)

SUBJECT: TITLE IX AND SEX DISCRIMINATION (Cont'd.)

All complaints alleging retaliation will be handled in a manner consistent with the District's policies and procedures regarding the investigation of discrimination and harassment complaints, including Policy #3420 -- Non-Discrimination and Anti-Harassment in the District.

If the Title IX Coordinator is unavailable, including due to a conflict of interest or other disqualifying reason, the report will be directed to another Title IX Coordinator, if the District has designated another individual to serve in that capacity. If the District has not designated another Title IX Coordinator, the Superintendent will ensure that another person with the appropriate training and qualifications is appointed to act as the Title IX Coordinator.

Confidentiality

Except where disclosure may be permitted or required by law or regulation, the District will keep confidential the identity of any:

- a) Individual who has made a report or complaint of sex discrimination;
- b) Individual who has made a report or filed a formal complaint of sexual harassment;
- c) Complainant;
- d) Individual who has been reported to be the perpetrator of sex discrimination;
- e) Respondent; and
- f) Witness.

Training

The District will ensure that:

- a) All Title IX Coordinators, investigators, decision-makers, or persons who facilitate an informal resolution process receive training on:
 - 1. The definition of sexual harassment as defined in Title IX;
 - 2. The scope of the District's education program or activity;
 - 3. How to conduct an investigation and grievance process including hearings, appeals, and informal resolution processes, as applicable; and
 - 4. How to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias.

(Continued)

SUBJECT: TITLE IX AND SEX DISCRIMINATION (Cont'd.)

- b) All decision-makers receive training on any technology to be used at a live hearing and on issues of relevance of questions and evidence, including when questions and evidence about a complainant's sexual predisposition or prior sexual behavior are not relevant.
- c) All investigators receive training on issues of relevance to create an investigative report that fairly summarizes relevant evidence.
- d) All District employees receive training on mandatory reporting obligations and any other responsibilities that they may have relative to Title IX.

Materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process will not rely on sex stereotypes and will promote impartial investigations and adjudications of formal complaints of sexual harassment. Training materials will be made publicly available on the District's website.

Notification

The District will notify students, parents or legal guardians of students, employees, applicants for employment, and all unions or professional organizations holding collective bargaining or professional agreements with the District of this policy.

Further, the District will prominently publish this policy and the contact information for the Title IX Coordinator(s) on its website and in other publications, including in each handbook or catalog that it makes available to the individuals and entities referenced above.

Recordkeeping

For a period of seven years, the District will retain the following:

- a) Records of each sexual harassment investigation including any:
 - 1. Determination regarding responsibility;
 - 2. Audio or audiovisual recording or transcript required under law or regulation;
 - 3. Disciplinary sanctions imposed on the respondent; and
 - 4. Remedies provided to the complainant designed to restore or preserve equal access to the District's education program or activity.
- b) Any appeal and its result.

(Continued)

SUBJECT: TITLE IX AND SEX DISCRIMINATION (Cont'd.)

- c) Any informal resolution and its result.
- d) All materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process.
- e) For each response to sexual harassment where the District had actual knowledge of sexual harassment in its education program or activity against a person in the United States, records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment. In each instance, the District must document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the District's education program or activity. If a District does not provide a complainant with supportive measures, then the District must document the reasons why such a response was not clearly unreasonable in light of the known circumstances. The documentation of certain bases or measures does not limit the District in the future from providing additional explanations or detailing additional measures taken.

Building-Level Emergency Response Plan

Building-level emergency response plan means a building-specific school emergency response plan that addresses crisis intervention, emergency response and management at the building level and has the contents as prescribed in Education Law and Commissioner's regulations. As part of this plan, the District will define the chain of command in a manner consistent with the National Incident Management System (NIMS)/Incident Command System (ICS).

Building-level emergency response plan(s) will be developed by the building-level emergency response team. The building-level emergency response team is a building-specific team appointed by the building principal, in accordance with regulations or guidelines prescribed by the Board. The building-level emergency response team will include, but not be limited to, representatives of teacher, administrator, and parent organizations, school safety personnel and other school personnel **including bus drivers and monitors**, community members, local law enforcement officials, local ambulance, fire officials, or other emergency response agencies, and any other representatives the Board deems appropriate.

Classroom door vision panels will not be covered except as outlined in the building-level emergency response plan.

SUBJECT: DRUG AND ALCOHOL TESTING FOR SCHOOL BUS DRIVERS

In order to help prevent accidents and injuries resulting from the misuse of drugs and/or alcohol by school bus drivers, the Board adopts this policy in compliance with federal and state law and regulation.

The District has designated the following individual to answer driver questions about this policy and related materials:

Superintendent of Schools

Drug and Alcohol Testing Program

School bus drivers are subject to drug and/or alcohol testing in a variety of circumstances. The District will comply with all federal and state law and regulation regarding the implementation of a drug and alcohol testing program for school bus drivers.

The District will either establish and manage its own drug and alcohol testing program or by contract have a consortium/third-party administrator manage all, or part of, its drug and alcohol testing program for school bus drivers.

Under federal law and regulation, individuals who operate a Commercial Motor Vehicle (CMV) designed to transport 16 or more occupants (including the driver) and are subject to commercial driver's license (CDL) requirements established by the United States Department of Transportation are safety-sensitive employees and are subject to the following drug and/or alcohol testing:

- a) **Pre-employment drug testing** which will be conducted after a conditional offer to hire has been extended, but before the actual performance of safety-sensitive functions for the first time. This pre-employment testing will also be required when employees transfer to a safety-sensitive position.
- b) **Random drug and/or alcohol testing** which will be conducted on an unannounced basis.
- c) **Reasonable suspicion drug and/or alcohol testing** which will be conducted when reasonable suspicion exists that a driver has engaged in prohibited use of drugs and/or alcohol. The required observation for reasonable suspicion drug and/or alcohol testing must be made by a supervisor or official who has been trained in accordance with federal law and regulation.
- d) **Post-accident drug and/or alcohol testing** which will be conducted as soon as practicable following certain occurrences involving a CMV operating on a public road.

(Continued)

SUBJECT: DRUG AND ALCOHOL TESTING FOR SCHOOL BUS DRIVERS (Cont'd.)

- e) **Return-to-duty drug and/or alcohol testing** which will be conducted on a driver who has engaged in prohibited drug and/or alcohol conduct before the driver returns to perform a safety-sensitive function.
- f) **Follow-up drug and/or alcohol testing** which will be conducted on a driver who has engaged in prohibited drug and/or alcohol conduct and has returned to performing a safety-sensitive function. This testing will be conducted on an unannounced basis in accordance with a written follow-up testing plan developed by a substance abuse professional (SAP).

All procedures used to test for the presence of drugs and/or alcohol will conform to the requirements outlined in federal law and regulation for protecting the driver, ensuring the integrity of the testing process, safeguarding the validity of the test results, and ensuring that all test results are attributed to the correct driver.

Under New York State law and regulation, all school bus drivers are subject to pre-employment and random drug and alcohol testing in accordance with the provisions and requirements of federal regulations, regardless of commercial driver's license endorsement. Every school bus driver will be included in the random testing pool and must submit to testing when selected.

Prohibitions and Consequences for School Bus Drivers

Under federal law and regulation, individuals who operate a CMV designed to transport 16 or more occupants (including the driver) and are subject to CDL requirements established by the United States Department of Transportation are prohibited from:

- a) Reporting for duty or remaining on duty to perform safety-sensitive functions while having an alcohol concentration of 0.04 or greater. If testing shows an alcohol concentration of 0.02 or greater but less than 0.04, the employee must be removed from performing safety-sensitive activities for not less than 24 hours, but no punitive action will be taken by the employer;
- b) Using alcohol while performing safety-sensitive functions;
- c) Performing safety-sensitive functions within four hours after using alcohol;
- d) When required to take a post-accident alcohol test, using alcohol within eight hours following the accident or prior to undergoing a post-accident alcohol test, whichever comes first;
- e) Refusing to submit to a drug or alcohol test required by post-accident, random, reasonable suspicion, return-to-duty, or follow-up testing requirements;
- f) Refusing to submit to a pre-employment drug test;

(Continued)

SUBJECT: DRUG AND ALCOHOL TESTING FOR SCHOOL BUS DRIVERS (Cont'd.)

- g) Reporting for duty or remaining on duty, requiring the performance of safety-sensitive functions, when the driver uses any drugs, as defined by federal law and regulation. This prohibition does not apply when the use is pursuant to the instructions of a licensed medical practitioner who is familiar with the driver's medical history and has advised the driver that the substance will not adversely affect the driver's ability to safely operate a CMV; or
- h) Reporting for duty, remaining on duty, or performing a safety-sensitive function, if the driver tests positive for drugs.

Additionally, under New York State law, all school bus drivers are prohibited from:

- a) Consuming a drug or intoxicating liquor, regardless of its alcoholic content, or be under the influence of a drug or intoxicating liquor, within six hours before going on duty or operating, or having physical control of a bus;
- b) Consuming a drug or intoxicating liquor, regardless of its alcoholic content while on duty, or operating, or in physical control of a bus; or
- c) Possessing a drug or intoxicating liquor, regardless of its alcoholic content while on duty, operating or in physical control of a bus. However, this paragraph does not apply to the possession of a drug or intoxicating liquor which is transported as part of a shipment or personal effects of a passenger or to alcoholic beverages which are in sealed containers.

It is the employer's responsibility to ensure that no school bus driver:

- a) Violates any of the above listed provisions of New York State law; or
- b) Be on duty or operate a school bus if, by a person's general appearance or by a person's conduct or by other substantiating evidence, a person appears to have consumed a drug or intoxicating liquor within the preceding eight hours.

Any violation of this policy and/or District procedures, and applicable federal and state law and regulation by a school bus driver will be grounds for disciplinary action and penalties including, but not limited to, fines, suspension, and/or discharge in accordance with the District's and/or the vendors' or contract bus companies' policies, collective bargaining agreements, and applicable law.

Drivers who are found to have engaged in prohibited conduct under federal law and regulation will be removed immediately from safety-sensitive functions and will not be allowed to return to perform safety-sensitive functions until they:

- a) Are evaluated by a SAP;

(Continued)

SUBJECT: DRUG AND ALCOHOL TESTING FOR SCHOOL BUS DRIVERS (Cont'd.)

- b) Complete any requirements for rehabilitation as set by the employer and the SAP; and
- c) Pass a return-to-duty test with the result below 0.02 if the conduct involved alcohol, or a drug test with a verified negative result if the conduct involved drug use.

The Drug and Alcohol Clearinghouse

The Drug and Alcohol Clearinghouse ("Clearinghouse") is a secure online database that provides real-time information about CDL and commercial learner's permit holder's drug and alcohol program violations. The District will comply with all federal law and regulation regarding the Clearinghouse.

In accordance with 49 CFR Part 382, the following personal information will be collected, maintained, and reported to the Clearinghouse:

- a) A verified positive, adulterated, or substituted drug test result;
- b) An alcohol confirmation test with a concentration of 0.04 or higher;
- c) A refusal to submit to any required test;
- d) An employer's report of actual knowledge of:
 - 1. On duty alcohol use;
 - 2. Pre-duty alcohol use;
 - 3. Alcohol use following an accident; and
 - 4. Drug use;
- e) A SAP's report of the successful completion of the return-to-duty process;
- f) A negative return-to-duty test; and
- g) An employer's report of completion of follow-up testing.

Employee Notification

The Superintendent or designee will ensure that each school bus driver receives a copy of District policy, educational materials that explain the requirements of drug and alcohol testing law and regulation, and any regulations and/or procedures developed by the District with respect to meeting those requirements. The Superintendent or designee will ensure that a copy of these materials is

distributed to each school bus driver, who will sign for receipt of all of the above documents, as well as other appropriate personnel, prior to the start of any drug and/or alcohol testing as well as at the beginning of each school year or at the time of hire for any school bus driver. Representatives of applicable collective bargaining units will be notified of the availability of this information.

The Superintendent or designee will further ensure that each school bus driver receives educational materials concerning: the effects of drug and alcohol use on an individual's health, work, and personal life; signs and symptoms of a drug or alcohol problem (the driver's or a co-worker's); and available methods of intervening when a drug or alcohol problem is suspected, including confrontation, referral to any employee assistance program and/or referral to management.

The Superintendent or designee will arrange for training of all supervisors who may be utilized to determine whether reasonable suspicion exists to test a driver for prohibited conduct involving drugs and/or alcohol.

Records Management and Retention

Employee records relating to drug and/or alcohol testing, as well as to substance abuse and/or alcohol prevention programs, will be maintained in accordance with law and regulation. All employee drug and/or alcohol testing will be kept confidential and will only be revealed as required or authorized by law or regulation.

SUBJECT: EQUAL EMPLOYMENT OPPORTUNITY**Overview**

The District is committed to creating and maintaining an environment which is free from discrimination and harassment. This policy addresses employment discrimination. It is just one component of the District's overall commitment to maintaining a discrimination and harassment-free educational and work environment.

Consistent with this commitment and in accordance with law and regulation, the District is an equal opportunity employer that does not discriminate against any employee or applicant for employment in its programs and activities on the basis of any legally protected class or category including, but not limited to: age; race; creed; religion; color; national origin; sexual orientation; gender identity or expression; military status; sex; disability; predisposing genetic characteristics; familial status; marital status; status as a victim of domestic violence; and criminal arrest or conviction record.

The District adopts this policy as part of its effort to provide for the prompt and equitable resolution of complaints of employment discrimination. The District will promptly respond to reports of employment discrimination, ensure that all investigations are conducted within a reasonably prompt time frame and under a predictable fair grievance process that provides due process protections, and impose disciplinary measures and implement remedies when warranted.

Inquiries about this policy may be directed to the District's Civil Rights Compliance Officer(s) (CRCO(s)).

Reporting Allegations of Employment Discrimination

Any person may report employment discrimination regardless of whether they are the alleged victim or not. Reports of employment discrimination may be made orally or in writing to the District's CRCO or any other District employee including, but not limited to, a supervisor or building principal.

All District employees who witness or receive an oral or written report of employment discrimination must immediately inform the CRCO. Failure to immediately inform the CRCO may subject the employee to discipline up to and including termination. If the CRCO is unavailable, including due to a conflict of interest or other disqualifying reason, the report will be directed to another CRCO, if the District has designated another individual to serve in that capacity. If the District has not designated another CRCO, the Superintendent will ensure that another person with the appropriate training and qualifications is appointed to act as the CRCO.

Additionally, District employees must comply with reporting requirements in any other applicable District policy or document. Applicable policies or documents may include: Policy #3420 -- Non-Discrimination and Anti-Harassment in the District.

SUBJECT: EQUAL EMPLOYMENT OPPORTUNITY (Cont'd.)**Grievance Process for Complaints of Employment Discrimination**

The District will act to promptly, thoroughly, and equitably investigate all complaints, whether oral or written, of employment discrimination and will promptly take appropriate action to protect individuals from further discrimination.

Various District policies and documents address employment discrimination. These policies and documents may include: Policy #3420 -- Non-Discrimination and Anti-Harassment in the District. All complaints will be handled in accordance with the applicable District policies and/or documents.

The determination as to which District policies and/or documents are applicable is fact specific, and the CRCO may work with other District staff to determine which District policies and/or documents are applicable to the specific facts of the complaint.

If an investigation reveals that employment discrimination has occurred, the District will take immediate corrective action as warranted. This action will be taken in accordance with applicable law and regulation, as well as any applicable District policy, regulation, procedure, collective bargaining agreement, third-party contract, or other document such as the District's *Code of Conduct*.

Prohibition of Retaliatory Behavior (Commonly Known as "Whistle-Blower" Protection)

The District prohibits retaliation against any individual because the individual made a report or complaint, testified, assisted, or participated or refused to participate in an investigation, proceeding, or hearing related to a complaint of employment discrimination.

Complaints of retaliation may be directed to the CRCO. If the CRCO is unavailable, including due to a conflict of interest or other disqualifying reason, the report will be directed to another CRCO, if the District has designated another individual to serve in that capacity. If the District has not designated another CRCO, the Superintendent will ensure that another person with the appropriate training and qualifications is appointed to act as the CRCO.

Where appropriate, follow-up inquiries will be made to ensure that the discrimination has not resumed and that those involved in the investigation have not suffered retaliation.

SUBJECT: SEXUAL HARASSMENT IN THE WORKPLACE**Overview**

The District is committed to creating and maintaining an environment which is free from discrimination and harassment. Sexual harassment is one form of workplace discrimination. This policy addresses sexual harassment in the workplace. It is just one component of the District's overall commitment to maintaining a discrimination and harassment-free educational and work environment.

Sexual harassment is a form of employee misconduct, a violation of District policy, and unlawful. Employees of every level who engage in sexual harassment, including supervisory personnel who engage in sexual harassment, who knowingly allow such behavior to continue, or fail to report suspected sexual harassment will be subject to remedial and/or disciplinary action by the District. Sexual harassment may also subject the District to liability for harm to targets of sexual harassment. Harassers may also be individually subject to liability.

The District adopts this policy as part of its effort to provide for the prompt and equitable resolution of complaints of sexual harassment in the workplace. The District will promptly respond to reports of sexual harassment in the workplace, ensure that all investigations are conducted within a reasonably prompt time frame and under a predictable fair grievance process that provides due process protections, and impose disciplinary measures and implement remedies when warranted.

Inquiries about this policy may be directed to the District's Civil Rights Compliance Officer(s) (CRCO(s)) and/or Title IX Coordinator(s).

Scope and Application

This policy applies to all instances of sexual harassment perpetrated against a "covered person," regardless of immigration status, by anyone in the workplace, including a co-worker, supervisor, or third-party such as a non-employee, paid or unpaid intern, vendor, building security, visitor, volunteer, parent, or student. For purposes of this policy, a "covered person" includes:

- a) Employees;
- b) Applicants for employment;
- c) Paid or unpaid interns; and
- d) Non-employees, which include anyone who is (or is employed by) a contractor, subcontractor, vendor, consultant, or other person providing services pursuant to a contract in the workplace.

(Continued)

SUBJECT: SEXUAL HARASSMENT IN THE WORKPLACE (Cont'd.)

Sexual harassment in the workplace can occur between any individuals, regardless of their sex or gender. Unlawful sexual harassment is not limited to the physical workplace itself. Sexual harassment can occur on school property and at school functions which, for purposes of this policy, means a school-sponsored or school-authorized extracurricular event or activity regardless of where the event or activity takes place, including any event or activity that may take place virtually or in another state. It can also occur while employees are traveling for District business. Calls, texts, emails, and social media usage can constitute unlawful workplace harassment, even if they occur away from school property, on personal devices, or during non-work hours. Accordingly, conduct or incidents of sexual harassment that create or foreseeably create a disruption within the District may be subject to this policy in certain circumstances.

Other District policies and documents such as regulations, procedures, collective bargaining agreements, and the District's *Code of Conduct* may address misconduct related to sexual harassment and may provide for additional, different, or more specific grievance procedures depending on a number of factors including, but not limited to, who is involved and where the alleged sexual harassment occurred. These documents must be read in conjunction with this policy. Applicable policies or documents may include: Policy #3420 -- Non-Discrimination and Anti-Harassment in the District; and Policy #3421 -- Title IX and Sex Discrimination.

The dismissal of a complaint under one policy or document does not preclude action under another related District policy or document.

What Constitutes Sexual Harassment

Sexual harassment is a form of sex discrimination and is unlawful under federal, state, and (where applicable) local law. Sexual harassment includes harassment on the basis of sex, sexual orientation, self-identified or perceived sex, gender expression, gender identity, and the status of being transgender.

Under New York State Human Rights Law, sexual harassment is unlawful when it subjects an individual to inferior terms, conditions, or privileges of employment. Harassment need not be severe or pervasive to be unlawful, and can be any harassing conduct that consists of more than petty slights or trivial inconveniences.

Sexual harassment includes unwelcome conduct which is either of a sexual nature, or which is directed at an individual because of that individual's sex when:

- a) Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive work environment, even if the reporting individual is not the intended target of the sexual harassment;
- b) Such conduct is made either explicitly or implicitly a term or condition of employment; or

(Continued)

SUBJECT: SEXUAL HARASSMENT IN THE WORKPLACE (Cont'd.)

- c) Submission to or rejection of such conduct is used as the basis for employment decisions affecting an individual's employment.

A sexually harassing hostile work environment includes, but is not limited to, words, signs, jokes, pranks, intimidation or physical violence which are of a sexual nature, or which are directed at an individual because of that individual's sex. Sexual harassment also consists of any unwanted verbal or physical advances, sexually explicit derogatory statements or sexually discriminatory remarks made by someone which are offensive or objectionable to the recipient, which cause the recipient discomfort or humiliation, which interfere with the recipient's job performance.

Sexual harassment also occurs when a person in authority tries to trade job benefits for sexual favors. This can include hiring, promotion, continued employment or any other terms, conditions, or privileges of employment. This is also called "quid pro quo" harassment.

Any covered person who feels harassed should report the conduct so that any violation of this policy can be corrected promptly. Any harassing conduct, even a single incident, can be addressed under this policy.

Examples of Sexual Harassment

The following describes some actions that may constitute unlawful sexual harassment and that are strictly prohibited:

- a) Physical acts of a sexual nature, such as:
 - 1. Touching, pinching, patting, kissing, hugging, grabbing, brushing against another person's body or poking another person's body; and
 - 2. Rape, sexual battery, molestation or attempts to commit these assaults.
- b) Unwanted sexual advances or propositions, such as:
 - 1. Requests for sexual favors accompanied by implied or overt threats concerning the target's job performance evaluation, a promotion or other job benefits or detriments; and
 - 2. Subtle or obvious pressure for unwelcome sexual activities.
- c) Sexually oriented gestures, noises, remarks or jokes, or comments about a person's sexuality or sexual experience, which create a hostile work environment.

(Continued)

Personnel

SUBJECT: SEXUAL HARASSMENT IN THE WORKPLACE (Cont'd.)

- d) Sex stereotyping, which occurs when conduct or personality traits are considered inappropriate simply because they may not conform to other people's ideas or perceptions about how individuals of a particular sex should act or look.
- e) Sexual or discriminatory displays or publications anywhere in the workplace, such as pictures, posters, calendars, graffiti, objects, promotional material, reading materials, or other materials that are sexually demeaning or pornographic. This includes such sexual displays on workplace computers or cell phones and sharing such displays while in the workplace.
- f) Hostile actions taken against an individual because of that individual's sex, sexual orientation, gender identity, and the status of being transgender, such as:
 - 1. Interfering with, destroying or damaging a person's workstation, tools or equipment, or otherwise interfering with the individual's ability to perform the job;
 - 2. Sabotaging an individual's work; and
 - 3. Bullying, yelling, or name-calling.

Prohibition of Retaliatory Behavior (Whistle-Blower Protection)

Unlawful retaliation can be any action that could discourage a covered person from coming forward to make or support a sexual harassment claim. Adverse action need not be job-related or occur in the workplace to constitute unlawful retaliation (e.g., threats of physical violence outside of work hours).

The District prohibits any retaliatory behavior directed against complainants, victims, witnesses, and/or any other individuals who participate in the investigation of a complaint of sexual harassment. Such retaliation is unlawful under federal, state, and (where applicable) local law. The New York State Human Rights Law protects any individual who has engaged in "protected activity." Protected activity occurs when a person has:

- a) Made a complaint of sexual harassment, either internally or with any anti-discrimination agency;
- b) Testified or assisted in a proceeding involving sexual harassment under the Human Rights Law or other anti-discrimination law;
- c) Opposed sexual harassment by making an oral or informal complaint of harassment to a supervisor, building principal, other administrator, or the CRCO;

(Continued)

Personnel

SUBJECT: SEXUAL HARASSMENT IN THE WORKPLACE (Cont'd.)

- d) Reported that another employee has been sexually harassed; or
- e) Encouraged a fellow employee to report harassment.

Even if the alleged harassment does not turn out to rise to the level of a violation of law, the individual is protected from retaliation if the person had a good faith belief that the practices were unlawful. However, the retaliation provision is not intended to protect persons making intentionally false charges of harassment.

Reporting Allegations of Sexual Harassment

Preventing sexual harassment is everyone's responsibility. The District cannot prevent or remedy sexual harassment unless it knows about it. Any covered person who has been subjected to behavior that may constitute sexual harassment is encouraged to report such behavior to a supervisor, building principal, other administrator, or the CRCO. Anyone who witnesses or becomes aware of potential instances of sexual harassment should report such behavior.

Reports of sexual harassment may be made orally or in writing. A form for submission of a written complaint is posted on the District website, and all covered persons are encouraged to use this complaint form. Persons who are reporting sexual harassment on behalf of another person should use the complaint form and note that it is being submitted on another person's behalf.

District employees must comply with reporting requirements in any other applicable District policy or document. Applicable policies or documents may include: Policy #3420 -- Non-Discrimination and Anti-Harassment in the District; and Policy #3421 -- Title IX and Sex Discrimination.

Any person who believes they have been a target of sexual harassment may also seek assistance in other available forums, as explained in this policy.

Supervisory Responsibilities

All supervisors, building principals, and other administrators who receive a complaint or information about suspected sexual harassment, observe what may be sexually harassing behavior or for any reason suspect that sexual harassment is occurring, are required to report such suspected sexual harassment to the CRCO. If the CRCO is unavailable, including due to a conflict of interest or other disqualifying reason, the report will be directed to another CRCO, if the District has designated another individual to serve in that capacity. If the District has not designated another CRCO, the Superintendent will ensure that another person with the appropriate training and qualifications is appointed to act as the CRCO.

(Continued)

Personnel

SUBJECT: SEXUAL HARASSMENT IN THE WORKPLACE (Cont'd.)

In addition to being subject to discipline if they engaged in sexually harassing conduct themselves, supervisors, building principals, and other administrators will be subject to discipline for failing to report suspected sexual harassment or otherwise knowingly allowing sexual harassment to continue.

Supervisors, building principals, and other administrators will also be subject to discipline for engaging in any retaliation.

Investigating Complaints of Sexual Harassment

All complaints or information about sexual harassment will be investigated, whether that information was reported in oral or written form. Investigations will be conducted in a timely manner, and will be confidential to the extent possible.

An investigation of any complaint, information or knowledge of suspected sexual harassment will be prompt and thorough, commenced immediately and completed as soon as possible. The investigation will be kept confidential to the extent possible. Disclosure may, however, be necessary to complete a thorough investigation of the charges and/or notify law enforcement officials. All persons involved, including complainants, witnesses, and alleged harassers will be accorded due process, as outlined below, and in accordance with any applicable collective bargaining agreements to protect their rights to a fair and impartial investigation.

The District will not tolerate retaliation against anyone who files complaints, supports another's complaint, or participates in an investigation regarding a violation of this policy.

While the process may vary from case to case, investigations should be done in accordance with the following steps:

- a) Upon receipt of a complaint, the CRCO will conduct an immediate review of the allegations, and take any interim actions (e.g., instructing the respondent to refrain from communications with the complainant), as appropriate.

If the CRCO is unavailable, including due to a conflict of interest or other disqualifying reason, the report will be directed to another CRCO, if the District has designated another individual to serve in that capacity. If the District has not designated another CRCO, the Superintendent will ensure that another person with the appropriate training and qualifications is appointed to act as the CRCO.

- b) All complaints of sexual harassment will be investigated regardless of the form in which those complaints are made. For oral complaints, the individual will be encouraged to complete the complaint form, which is available on the District website, in writing. If he or she refuses, a complaint form based on the oral report will be prepared. The complainant will be provided a copy of the completed complaint form.

(Continued)

Personnel

SUBJECT: SEXUAL HARASSMENT IN THE WORKPLACE (Cont'd.)

- c) If documents, emails, or phone records are relevant to the investigation, take steps to obtain and preserve them.
- d) Request and review all relevant documents, including all electronic communications.
- e) Interview all parties involved, including any relevant witnesses. If a student is involved, the District will follow all applicable District policies and procedures regarding questioning students.
- f) Create written documentation of the investigation (such as a letter, memo, or email), which contains the following:
 - 1. A list of all documents reviewed, along with a detailed summary of relevant documents;
 - 2. A list of names of those interviewed, along with a detailed summary of their statements;
 - 3. A timeline of events;
 - 4. A summary of prior relevant incidents, reported or unreported; and
 - 5. The basis for the decision and final resolution of the complaint, together with any corrective action(s).
- g) Keep the written documentation and associated documents in a secure and confidential location.
- h) Promptly notify the individual who reported and the individual(s) about whom the complaint was made of the final determination and implement any corrective actions identified in the written document.
- i) Inform the individual who reported of the right to file a complaint or charge externally as outlined in this policy.

Additionally, other District policies and documents address sexual harassment. These policies and documents may include: Policy #3420 -- Non-Discrimination and Anti-Harassment in the District; and Policy #3421 -- Title IX and Sex Discrimination. All complaints will be handled in accordance with the applicable District policies and/or documents.

The determination as to which District policies and/or documents are applicable is fact specific, and the CRCO may work with other District staff such as the District's Title IX Coordinator(s) to determine which District policies and/or documents are applicable to the specific facts of the complaint.

(Continued)

SUBJECT: SEXUAL HARASSMENT IN THE WORKPLACE (Cont'd.)

If an investigation reveals that sexual harassment has occurred, the District will take immediate corrective action as warranted. This action will be taken in accordance with applicable law and regulation, as well as any applicable District policy, regulation, procedure, collective bargaining agreement, third-party contract, or other document such as the District's *Code of Conduct*.

Annual Training

The District will provide a sexual harassment prevention training program to all employees on an annual basis. The training will be interactive and will include:

- a) An explanation of sexual harassment consistent with guidance issued by the Department of Labor in consultation with the Division of Human Rights;
- b) Examples of conduct that would constitute unlawful sexual harassment;
- c) Information concerning the federal and state statutory provisions concerning sexual harassment and remedies available to victims of sexual harassment;
- d) Information concerning employees' rights of redress and all available forums for adjudicating complaints; and
- e) Information addressing conduct by supervisors and any additional responsibilities for such supervisors.

Notification

The District will provide this policy to all employees in writing. The District will post this policy prominently throughout the District to the extent practicable.

At the time of hiring and at every annual sexual harassment prevention training program, the District will provide each employee a notice containing this policy and the information presented at the District's sexual harassment prevention training program.

This notice will be provided in English and in the language identified by the employee as his or her primary language, provided that the New York State Department of Labor Commissioner has published a template of the model materials in that language.

The notice will be delivered in writing, either in print or digitally. The notice will either link to or include, as an attachment or printed copy, the policy and training materials.

SUBJECT: SEXUAL HARASSMENT IN THE WORKPLACE (Cont'd.)**Legal Protections and External Remedies**

Sexual harassment is not only prohibited by the District but is also prohibited by state, federal, and, where applicable, local law.

Aside from the District's internal process, individuals may also choose to pursue legal remedies with the following governmental entities. While a private attorney is not required to file a complaint with a governmental agency, an individual may seek the legal advice of an attorney.

In addition to those outlined below, individuals may have additional legal protections.

State Human Rights Law (HRL)

The HRL, codified as N.Y. Executive Law, art. 15, Section 290 et seq., applies to all employers in New York State with regard to sexual harassment, and protects covered persons, regardless of immigration status. A complaint alleging violation of the HRL may be filed either with the Division of Human Rights (DHR) or in New York State Supreme Court.

Complaints with DHR may be filed any time within one year (three years beginning August 12, 2020) of the harassment. If an individual did not file with DHR, they can sue directly in state court under the HRL, within three years of the alleged sexual harassment. An individual may not file with DHR if they have already filed a HRL complaint in state court.

Complaining internally to the District does not extend the time to file with DHR or in court. The one year or three years is counted from the date of the most recent incident of harassment.

Individuals do not need an attorney to file a complaint with DHR, and there is no cost to file with DHR.

DHR will investigate the complaint and determine whether there is probable cause to believe that sexual harassment has occurred. Probable cause cases are forwarded to a public hearing before an administrative law judge. If sexual harassment is found after a hearing, DHR has the power to award relief, which varies but may include requiring the District to take action to stop the harassment, or redress the damage caused, including paying of monetary damages, attorney's fees, and civil fines.

DHR's main office contact information is: NYS Division of Human Rights, One Fordham Plaza, Fourth Floor, Bronx, New York 10458. Individuals may call (718) 741-8400 or visit: www.dhr.ny.gov.

Contact DHR at (888) 392-3644 or visit dhr.ny.gov/complaint for more information about filing a complaint. The website has a complaint form that can be downloaded, filled out, notarized and mailed to DHR. The website also contains contact information for DHR's regional offices across New York State.

SUBJECT: SEXUAL HARASSMENT IN THE WORKPLACE (Cont'd.)Civil Rights Act of 1964

The United States Equal Employment Opportunity Commission (EEOC) enforces federal anti-discrimination laws, including Title VII of the 1964 federal Civil Rights Act (codified as 42 USC Section 2000e et seq.). An individual can file a complaint with the EEOC anytime within 300 days from the harassment. There is no cost to file a complaint with the EEOC. The EEOC will investigate the complaint, and determine whether there is reasonable cause to believe that discrimination has occurred, at which point the EEOC will issue a Right to Sue letter permitting the individual to file a complaint in federal court.

The EEOC does not hold hearings or award relief, but may take other action including pursuing cases in federal court on behalf of complaining parties. Federal courts may award remedies if discrimination is found to have occurred. In general, private employers must have at least 15 employees to come within the jurisdiction of the EEOC.

An individual alleging discrimination at work can file a "Charge of Discrimination." The EEOC has district, area, and field offices where complaints can be filed. Contact the EEOC by calling 1-800-669-4000 (TTY: 1-800-669-6820), visiting their website at www.eeoc.gov, or via email at info@eeoc.gov.

If an individual filed an administrative complaint with DHR, DHR will file the complaint with the EEOC to preserve the right to proceed in federal court.

Title IX

Title IX of the Education Amendments Act of 1972 prohibits discrimination on the basis of sex in any federally funded education program or activity. The U.S. Department of Education's Office for Civil Rights (OCR) enforces Title IX of the Education Amendments Act of 1972.

For more information about how to file a complaint, contact OCR at 800-421-3481 (TDD 800-877-8339) or visit: <https://www2.ed.gov/about/offices/list/ocr/docs/howto.html>. The website contains information about filing the complaint online, by mail, or by email.

Local Protections

Many localities enforce laws protecting individuals from sexual harassment and discrimination. An individual should contact the county, city, or town in which they live to find out if such a law exists.

Local Police Department

If the harassment involves unwanted physical touching, coerced physical confinement, or coerced sex acts, the conduct may constitute a crime. Contact the local police department.

SUBJECT: PROBATION AND TENURE**Probation**

Generally, teachers, all other members of the teaching staff, principals, administrators, supervisors, and all other members of the supervising staff will be appointed by the Board upon the recommendation of the Superintendent for a probationary period of four years.

The probationary period will not exceed three years for teachers previously appointed to tenure in any district or BOCES within the state, provided that the teacher was not dismissed from that district or BOCES as a result of charges brought pursuant to Education Law Section 3020-a or 3020-b and met the required annual professional performance review (APPR) rating in his or her final year of service there.

Additionally, up to two years of service as a regular substitute teacher may be applied toward probationary service. (This is sometimes referred to as Jarema Credit.)

The probationary period will not exceed three years for principals, administrators, supervisors, or other members of the supervising staff appointed on or after June 1, 2020 who were previously appointed to tenure as an administrator within an authorized administrative tenure area in any district or BOCES within the state provided that the individual was not dismissed from that district or BOCES as a result of charges brought pursuant to Education Law Section 3020-a or 3020-b.

During the probationary period, a staff member will be given assistance in adjusting to the new position, but the essential qualifications for acceptable performance will be assumed because the staff member attained the required certification or license.

A staff member's appointment may be discontinued at any time during his or her probationary period upon the recommendation of the Superintendent and by majority vote of the Board.

Any staff member not recommended for tenure appointment will be notified in writing by the Superintendent no later than 60 days before his or her probationary period expires.

Tenure

The Board will comply with all applicable laws and regulations regarding tenure.

At the expiration of the probationary period or within six months prior, the Superintendent will make a written report to the Board recommending for appointment to tenure those who have been found competent, efficient, and satisfactory and, in the case of teachers and building principals, those who have received APPR ratings of effective or highly effective in at least three of the preceding four years, exclusive of any breaks in service.

(Continued)

Personnel

SUBJECT: PROBATION AND TENURE (Cont'd.)

If a teacher or building principal receives an APPR rating of ineffective in their final probationary year after receiving APPR ratings of effective or highly effective in the preceding probationary years, they will not be eligible for tenure. However, the Board may extend that teacher's or building principal's probationary time by an additional year. The teacher or building principal may be eligible for immediate tenure if he or she successfully appeals the ineffective rating.

The Board may then—by a majority vote—appoint to tenure any or all of the persons recommended by the Superintendent.

A teacher or building principal will remain on probationary status until the end of the school year in which he or she has received APPR ratings of effective or highly effective for at least three of the four preceding school years, exclusive of any breaks in service. During this time, the Board may grant tenure contingent upon a teacher's or building principal's receipt of a minimum APPR rating in the final year of his or her probationary period. If the contingency is not met after all appeals are exhausted, the grant of tenure will be void and unenforceable and the teacher's or building principal's probationary period may be extended for an additional year in accordance with law.

Resolutions Making Appointments

Each Board resolution making a probationary appointment or an appointment on tenure will specify:

- a) The name of the appointee;
- b) The tenure area or areas in which the professional will devote a substantial portion of his or her time;
- c) The date probationary service or service on tenure commences in each area;
- d) The expiration date of the appointment, if made on a probationary basis. For appointments of classroom teachers and building principals, the resolution must state that:
 1. To receive tenure, the individual must receive composite or overall APPR ratings of effective or highly effective in at least three of the four preceding years; and
 2. If the teacher or building principal receives an ineffective composite or overall APPR rating in his or her final year of probation, he or she will not be eligible for tenure at that time; and
- e) The certification status of the appointee in reference to the position to which the individual is appointed.

SUBJECT: USE OF EMAIL IN THE SCHOOL DISTRICT**Overview**

Email is a valuable tool that allows for quick and efficient communication. However, careless, unacceptable, or illegal use of email may place the District and members of its community at risk. Use of email in the District must be consistent with the District's educational goals and comply with federal and state laws and regulations, as well as all applicable District policies, regulations, procedures, collective bargaining agreements, and other related documents such as the District's *Code of Conduct*. This includes, but is not limited to, this policy and the District's policies on non-discrimination and anti-harassment, protecting the personal information of District employees and students, acceptable use, and record management.

District-related emails are most secure and best managed when District email services are used. Accordingly, the District's email services should be used for all district-related emails, including emails in which students or student issues are involved. Personal email accounts should not be used to conduct District-related business. Further, District email accounts should not be used as any individual's primary personal email address.

Scope and Application of Policy

This policy applies to all District employees and any individual assigned a District email address to conduct District-related business (authorized user).

Sending Emails with Personal, Private, and Sensitive Information

Personal, private, and sensitive information (PPSI) is any information to which unauthorized access, disclosure, modification, destruction, use, or disruption of access or use could have or cause a severe impact on critical District functions, employees, students, third parties, or other individuals or entities. For purposes of this policy, PPSI includes, but is not limited to:

- a) District assessment data;
- b) Protected student records;
- c) Information subject to laws protecting personal information such as Family Educational Rights and Privacy Act (FERPA), Individuals with Disabilities Act (IDEA), Health Insurance Portability and Accountability Act (HIPAA);
- d) Social security numbers;
- e) Driver's license or non-driver identification card numbers;
- f) Credit or debit card numbers;

(Continued)

SUBJECT: USE OF EMAIL IN THE SCHOOL DISTRICT (Cont'd.)

- g) Account numbers;
- h) Passwords; and
- i) Access codes.

The failure to follow proper security protocols when emailing PPSI increases the risk that unauthorized individuals could access and misuse PPSI.

*District employees and authorized users may not send or forward emails that include:

- a) PPSI without building principal or supervisor authorization. Additional precautions, such as encrypting the email in a District-approved method, should be taken when sending any emails containing PPSI.
- b) Lists or information about District employees without building principal or supervisor authorization.
- c) Attachments with file names that may disclose PPSI. Files containing PPSI should be password protected and encrypted. File protection passwords should not be transmitted via email. District employees and authorized users will not use cloud-based storage services (such as Dropbox or OneDrive) to transmit files with PPSI without previous District approval or consulting with a building principal or supervisor.
- d) Comments or statements about the District that may negatively impact it.

Any questions regarding the District's protocols for sending emails with PPSI or what information may or may not be emailed should be directed to a supervisor.

Receiving Suspicious Emails

Social engineering attacks are prevalent in email. In a social engineering attack, an attacker uses human interaction (social skills) to obtain confidential or sensitive information.

Phishing attacks are a form of social engineering. Phishing attacks use fake email messages pretending to represent a legitimate person or entity to request information such as names, passwords, and account numbers. They may also deceive an individual into opening a malicious webpage or downloading a file attachment that leads to malware being installed.

Malware is malicious software that is designed to harm computer systems. Malware may be inadvertently installed after an individual opens an email attachment, downloads content from the Internet, or visits an infected website.

(Continued)

SUBJECT: USE OF EMAIL IN THE SCHOOL DISTRICT (Cont'd.)

Before responding to any emails, clicking on any hyperlinks, or opening any attachments, District employees and authorized users should review emails for indicators of suspicious activity. These indicators include, but are not limited to:

- a) Attachments that were not expected or make no sense in relation to the email message;
- b) When the recipient hovers the mouse over a hyperlink that is displayed in the email, the link to the address is for a different website;
- c) Hyperlinks with misspellings of known websites;
- d) The sender is not someone with whom the recipient ordinarily communicates;
- e) The sender's email address is from a suspicious domain;
- f) Emails that are unexpected, unusual, or have bad grammar or spelling errors; and
- g) Emails asking the recipient to click on a link or open an attachment to avoid a negative consequence or to gain something of value.

District employees and authorized users should forward suspicious emails to the District's information technology (IT) staff.

No Expectation of Privacy

District employees and authorized users should have no expectation of privacy for any email messages they create, receive, or maintain on their District email account. The District has the right to monitor, review, and audit each District employee's and authorized user's District email account.

Accessing District Email Services on Personal Devices

In the event a District employee or authorized user loses a personal device that has been used to access the District's email service, that District employee or authorized user should notify the District's IT staff so that measures can be taken to secure the email account.

Personal Use

The District's email services are intended for District-related business only. Incidental or limited personal use of the District's email services is allowed so long as the use does not interfere with job performance. However, District employees and authorized users should have no expectation of privacy in this email use.

(Continued)

SUBJECT: USE OF EMAIL IN THE SCHOOL DISTRICT (Cont'd.)

The District's email services should not be used to conduct job searches, post personal information to bulletin boards, blogs, chat groups, and list services, etc. without authorization from a building principal or supervisor.

It is prohibited to use the District's email services for:

- a) Illegal purposes;
- b) Transmitting threatening, obscene, discriminatory, or harassing materials or messages;
- c) Personal gain or profit;
- d) Promoting religious or political causes; and/or
- e) Sending spam, chain letters, or any other type of unauthorized widespread distribution of unsolicited mail.

Personal email accounts or services (Yahoo, Gmail, etc.) should not be accessed via the District Computer System (DCS) without authorization from a building principal or supervisor.

Confidentiality Notice

A standard confidentiality notice will automatically be added to each email as determined by the District.

Training

District employees and authorized users will receive ongoing training related to the use of email in the District. This training may cover topics such as:

- a) What is expected of users, including the appropriate use of email with students, parents, and other individuals to avoid issues regarding harassment and/or charges of fraternization;
- b) How to identify suspicious emails, as well as what to do after receipt of a suspicious email;
- c) Emailing PPSI;
- d) How to reduce risk to the District;
- e) Cost of policy non-compliance;
- f) Permanence of email, including how email is never truly deleted, as the data can reside in many different places and in many different forms; and

(Continued)

SUBJECT: USE OF EMAIL IN THE SCHOOL DISTRICT (Cont'd.)

- g) How users should have no expectation of privacy when using the DCS or any District email service.

Notification

The District will provide annual notification of this policy and any corresponding regulations to all District employees and authorized users. The District will then require that all employees and authorized users acknowledge that they have read, understood, and will comply with the policy and regulations.

Records Management and Retention

The same laws and business records requirements apply to email as to other forms of written communication.

Email will be maintained and archived in accordance with Retention and Disposition Schedule for New York Local Government Records (LGS-1) and as outlined in any records management policies, regulations, and/or procedures.

Additionally, emails may be subject to disclosure under the Freedom of Information Law (FOIL), a court action, an audit, or as otherwise required or permitted by law or regulation.

Disciplinary Measures

Failure to comply with this policy and any corresponding regulations or procedures may subject a District employee and authorized user to discipline such as loss of email use, loss of access to the DCS, and/or other disciplinary action up to and including termination. When applicable, law enforcement agencies may be contacted.

The District's IT staff may report inappropriate use of email by a District employee or authorized user to the District employee or authorized user's building principal or supervisor who may take appropriate action which may include disciplinary measures.

SUBJECT: LEAVES OF ABSENCE

In general, leaves of absence will be administered by the Superintendent. The Board reserves the right to grant leaves of absence for purposes or under conditions not contemplated or considered in the policy statement. Where a leave of absence is falsely requested or improperly used, the Board may undertake appropriate disciplinary action. The purpose or conditions of a leave of absence may not be altered except by permission of the Superintendent, as expressed in writing.

Leaves of absence, contractual, et al.

- a) Employees who are members of a negotiating unit:

Authorization is granted to approve requests for leaves of absence submitted in accordance with provisions of contracts in effect between the District and each bargaining unit.

- b) Employees who are not members of a negotiating unit:

Authorization is granted to approve requests for leaves of absence submitted by these employees where the requests are consistent with provisions of contracts in effect between the District and the bargaining unit most compatible with the employment status of the employee.

- c) Employees who are under contract to the District:

Authorization is granted to implement provisions for leaves of absence contained in each contract.

Leaves of absence, unpaid, not covered above

- a) Subject to limitations enumerated in this policy statement, authorization is granted for the following unpaid leaves of absence:

1. For a period of time not to exceed one school year for approved graduate study, this leave to include any required internship experience.
2. At the expiration of a paid sick leave of absence, this leave may be extended for a period of time not longer than the end of the school year after the school year in which the paid leave of absence began.

- b) Unpaid leaves of absence cannot be used to extend vacation periods, to take vacations, to engage in other occupations, or to provide additional personal leaves, except that the Superintendent will have discretion, where circumstances warrant, to approve leaves of absence for those purposes.

- c) Unpaid leaves of absence will not be granted unless the services of a substitute employee, satisfactory in the discretion of the Superintendent, can be secured.

(Continued)

Personnel

SUBJECT: LEAVES OF ABSENCE (Cont'd.)

- d) Except where it interferes with an employee's legal or contractual rights, the timing of unpaid leaves of absence will be granted at the convenience of the District.

Other leaves of absence

Other leaves of absence include, but are not limited to, the following:

- a) Emergency Service Volunteer Leave

Upon presentation of a written request from the American Red Cross and with the approval of the Superintendent, employees certified by the American Red Cross as disaster volunteers will be granted leave from work with pay for up to 20 days in any calendar year to participate in specialized disaster relief operations. This leave will be provided without loss of seniority, compensation, sick leave, vacation leave, or other overtime compensation to which the volunteer is otherwise entitled.

- b) Screenings for Cancer

Employees will be granted up to four hours of paid leave on an annual basis to undertake a screening for cancer. This leave will be excused leave and will not be charged against any other leave to which the employee is entitled.

- c) Blood Donation

The District must either, at its option:

1. Grant three hours of unpaid leave of absence in any 12-month period to an employee who seeks to donate blood off-premises. The leave may not exceed three hours unless agreed to by the Superintendent or designee; or
2. Allow its employees without use of accumulated leave time to donate blood during work hours at least two times per year at a convenient time and place set by the Superintendent or designee, including allowing an employee to participate in a blood drive at the District.

Leave taken by employees at a District-designated donation alternative (such as a District-sponsored blood drive at the workplace) must be paid leave that is provided without requiring the employee to use accumulated vacation, personal, sick, or other leave time.

The District will not retaliate against an employee for requesting or obtaining a leave of absence under this section. Additional leaves for the purpose of blood donation under any other provision of law will not be prevented.

(Continued)

Personnel

SUBJECT: LEAVES OF ABSENCE (Cont'd.)**d) Bone Marrow Donation**

Employees seeking to undergo a medical procedure to donate bone marrow will be granted leaves to do so, the combined length of the leaves to be determined by the physician, but may not exceed 24 work hours unless agreed to by the Superintendent or designee. The District will require verification for the purpose and length of each leave requested by the employee for this purpose.

The District will not retaliate against an employee for requesting or obtaining a leave of absence under this section. Additional leaves for the purpose of bone marrow donation under any other provision of law will not be prevented.

e) Nursing Mothers (Breastfeeding/Lactation)

The District will provide reasonable unpaid break time or permit the use of paid break time or meal time each day to allow an employee to express breast milk for her nursing child for up to three years following childbirth. The District will make reasonable efforts to provide a room or other location in close proximity to the work area where the employee can express milk in privacy. The District will not discriminate against an employee who chooses to express breast milk in the workplace.

Reasonable unpaid break time is generally no less than 20 minutes and no more than 30 minutes dependent upon the proximity of the designated location for expressing breast milk. In most situations, the District is required to provide unpaid break time at least once every three hours if requested by the employee. At the employee's option, the District will allow the employee to work before or after her normal shift to make up the amount of time used during the unpaid break time(s) so long as the additional time requested falls within the District's normal work hours.

The District will provide written notice to employees who are returning to work following the birth of a child of their right to take unpaid leave for the purpose of expressing breast milk. This notice may either be provided individually to affected employees or to all employees generally through publication of the notice in the employee handbook or posting of the notice in a central location.

Any employee wishing to avail herself of this benefit is required to give the District advance notice, preferably prior to her return to work, to allow the District an opportunity to establish a location and schedule leave time to accommodate employees as needed.

(Continued)

SUBJECT: LEAVES OF ABSENCE (Cont'd.)

f) Witnesses or Victims of Crimes

The District will grant an unpaid leave of absence to an employee, who is a victim of or a witness to a criminal offense, that is required or chooses to appear as a witness, consult with the district attorney, or exercise his or her rights as provided in the Criminal Procedure Law, the Family Court Act, and the Executive Law.

To use this leave, the employee must provide notice of the need for leave at any time prior to the actual day of leave. The District is permitted to ask the party who sought the attendance or testimony of the employee to provide verification of the employee's service. Employees will not be penalized or discharged for absences by reason of a required appearance as a witness in a criminal proceeding, or consultation with the district attorney, or exercising his or her rights as provided under the law.

g) Victims of Domestic Violence

Unless the absence would cause an undue hardship to the District, the District will provide reasonable accommodations to employees who are victims of domestic violence who must be absent from work for a reasonable time in accordance with law.

An employee availing themselves of this leave must provide the District with reasonable advance notice, unless providing this notice is not feasible. An employee unable to provide reasonable advance notice must, within a reasonable time after the absence, provide a certification to the District when requested.

To the extent allowed by law, the District will maintain the confidentiality of any information related to an employee's status as a victim of domestic violence.

h) Military Leave

The District will comply with state and federal laws regarding military leave and re-employment.

i) Jury Duty

As provided by law, any employee who is summoned to serve as a juror and who notifies the District to that effect prior to his or her term of service will not, on account of absence by reason of jury service, be subject to discharge or penalty. The District will ensure that all absences for this purpose are granted in accordance with law and the terms of any applicable collective bargaining agreement.

(Continued)

SUBJECT: LEAVES OF ABSENCE (Cont'd.)

j) Voting

Employees who are registered voters and have four consecutive hours either between the opening of the polls and the beginning of their working shift, or between the end of their working shift and the closing of the polls will be deemed to have sufficient time to vote and will therefore not be eligible for paid leave to vote in any election.

Employees who are registered voters, and do not have sufficient time outside of their working hours to vote in any election, may without loss of pay for up to two hours, take so much time off as will, when added to their voting time outside of their working hours, enable them to vote. ~~may take up to three hours of paid leave to vote at any general election, special election called by the Governor, primary election, or municipal election. This does not include school district elections, library district elections, fire district elections, special town elections, or early voting periods.~~ The employee will be allowed time off for voting only at the beginning or the end of his or her working shift, as the District may designate, unless otherwise mutually agreed.

Employees requiring working time off to vote must notify the District **not more than ten or** less than two working days before the day of the election.

The District must post a notice informing employees of their right to leave in order to vote not less than ten working days before an election and until polls close on election day. This notice will be conspicuously posted in a place where it can be seen by employees as they come and go to their place of work.

SUBJECT: EMPLOYMENT OF RETIRED PERSONS

A retired person may be employed and earn compensation in a position in the District, without any effect on his or her status as retired and without suspension or diminution of his or her retirement allowance subject to the conditions enumerated in Retirement and Social Security Law Section 211(1). However, there shall be no earning limitations on or after the calendar year in which any retired person attains age 65.

No retired person may be employed in the District except upon approval of the Civil Service Commission or the Commissioner of Education unless otherwise authorized in accordance with law, as discussed below.

Two sections of the Retirement and Social Security Law (RSSL Section 211 and 212) affect a retiree's return to public employment in New York State. If a retiree returns to public employment, he or she may still be able to collect his or her pension depending upon:

- a) How much is earned after returning to work; and
- b) The retiree's age.

If a retiree is under age 65, he or she can return to public employment without approval or reduction in retirement benefits as long as his or her calendar year earnings do not exceed \$30,000 ~~(the RSSL Section 212 limit)~~. If a retiree's earnings will be more than the Section 212 limit, the employer must request and receive prior approval from the appropriate agency to hire the retiree under Section 211. This may help avoid a reduction or suspension of the retiree's pension. (Refer to subheading below for more information regarding RSSL Section 211 and the approval process.)

Section 211 waivers are provided for "unclassified service" positions. Retired police officers employed by a school district as a School Resource Officer fall under the "classified service" but may have the earnings limitation waived at the discretion of the Commissioner of Education, as long as all of the requirements for waivers in the unclassified service are fulfilled.

There is generally no restriction on a retiree's earnings beginning in the calendar year he or she turns 65, unless returning to public office.

RSSL Section 211 Approval Process

Approval for post-retirement employment of a person under the age of 65 or a retired police officer employed as a School Resource Officer whose calendar year earnings exceed \$30,000 **the Section 212 limit** may be granted only on the written request of the District giving detailed reasons related to the standards set forth in Section 211; and on a finding of satisfactory evidence by the Civil Service Commission or the Commissioner of Education that the retired person is duly qualified, competent and physically fit for the performance of the duties of the position in which he or she is to be employed and is properly certified where such certification is required.

(Continued)

SUBJECT: EMPLOYMENT OF RETIRED PERSONS (Cont'd.)

The District will prepare a detailed recruitment plan to fill such vacancy on a permanent basis when the need arises and will undertake extensive recruitment efforts to fill the vacancy prior to making a determination that there are no available non-retired persons qualified to perform the duties of such position.

Approvals to hire retired individuals may be granted for periods not exceeding two years each, provided that a person may not return to work in the same or similar position for a period of one year following retirement. However, in accordance with RSSL Section 212, a retiree may return to work in the same or similar position within the same year following retirement if his or her earnings are under \$30,000 **the Section 212 limit** or if he or she receives a Section 212 waiver, or other conditions exist as enumerated in law.

Reporting Requirements and Disclosure

- a) The District shall report all money earned by a retired person in its employ in excess of the earnings limitation outlined in Retirement and Social Security Law Section 212 to the retirement system administered by the State or any of its political subdivisions from which the retired person is collecting his or her retirement allowance.
- b) The District, when employing a retired person who is eligible to collect or is already collecting a retirement allowance from a retirement system administered by the State or any of its political subdivisions, shall report on an annual basis to the retirement system paying such retirement allowance and to the State Comptroller. This report shall consist of the re-employed retiree's name, date of birth, place of employment, current position, and all earnings.

Public Record

Any request for approval of the employment of a retired person, including the reasons stated, and the findings and determination of such request shall be a public record open for inspection in the Office of the Civil Service Commission, the Commissioner of Education, or the Board making such findings and determination as specified in Retirement and Social Security Law Section 211.

SUBJECT: REMOTE WORKING

Generally, the District believes that its goals and objectives are best served when employees work in-person on District premises. However, the District recognizes that, in certain circumstances, remote working or telecommuting may be advantageous to both the employee and the District. It may also be necessary in the event of an extraordinary circumstance such as widespread illness, natural disaster, or other emergency situation.

When making decisions about remote working, the District will take into consideration any applicable laws, regulations, collective bargaining agreements, or existing policies and procedures. This policy will be superseded by any conflicting law, regulation, or collective bargaining agreement.

Remote Working Arrangements

Remote working is not an entitlement or a District-wide benefit. The ability to work remotely is completely at the discretion of the District. Except where specifically provided by an applicable collective bargaining agreement, employees will not be permitted to file a grievance as a result of a denial of their request to work remotely.

Upon request, an employee's supervisor, in conjunction with the Superintendent or designee, may grant an employee a full-time, part-time, or short-term remote work arrangement provided that the employee's work is able to be performed remotely and the employee has consistently demonstrated the ability to effectively work independently.

Extraordinary Circumstances

In the event of an extraordinary circumstance such as widespread illness, natural disaster, or other emergency situation, it may be necessary to establish remote working arrangements for some or all employees. In these circumstances, the District will notify employees of whether they are expected to work at home full-time, part-time, or not at all. The District retains the right to change the remote working arrangement for any employee at any time.

Continuity of Work

Unless specifically agreed upon, working remotely will not alter an employee's work schedule, job duties, compensation, benefits, or any other term and condition of employment. Further, while working remotely, employees will be required to remain available during their normal workhours via email, phone, or other means. Failure to respond in a reasonable time frame may result in discipline and/or termination of the remote work arrangement.

(Continued)

SUBJECT: REMOTE WORKING (Cont'd.)Compliance with District Policies and Procedures

District employees who are working remotely are required to comply with any and all applicable District policies, procedures, and other related documents as they normally would if they were working on District premises. Examples include, but are not limited to, the District's policies and procedures on non-discrimination and anti-harassment, protecting the personal information of District employees and students, acceptable use, and copyright. Engaging in prohibited conduct may result in disciplinary action as warranted.

SUBJECT: REMOTE LEARNING**Use of Remote Learning in the District**

The District may offer remote or distance learning to students at certain times including, but not limited to, independent study, enrichment courses, and in the event of an extraordinary circumstance such as widespread illness, natural disaster, or other emergency situation.

When making decisions about remote learning, the District will consult with students, parents, teachers, administrators, community members, and other stakeholders as appropriate. The District will also ensure that it is complying with applicable teaching and learning requirements.

Extraordinary Circumstances

In the event of an extraordinary circumstance that requires long-term and widespread use of remote learning, a plan will be developed that outlines how the District will accomplish remote learning. This plan will outline the number of students involved, modes of remote learning, asynchronous and synchronous learning opportunities, internet and device access among students, and alternatives available for students who have neither a device nor consistent access. It will also address the needs of different populations of students including, but not limited to, vulnerable students, younger students, students with disabilities, and English language learners.

If warranted, the District may use a hybrid model of in-person instruction and remote learning.

Formats and Methods of Remote Learning

Remote learning may be delivered by teachers through a variety of formats and methods. Instruction may be provided through video, audio, and/or written materials. Communication between teachers and students may occur through video conferencing, prerecorded videos, online discussion boards, and/or other instruction that relies on technology. Remote learning can occur synchronously, which involves real-time interaction and collaboration between teachers and students, or asynchronously, which involves delayed interactions between teachers and students and self-directed learning.

Determinations about how to best deliver remote learning will take into account a variety of factors including, but not limited to, the number of students involved, the subject matter, the students' grade levels, and technological resources of both the District and students. Consideration will also be given to whether accommodations need to be made for students with disabilities or English language learners.

Remote Learning Support

As necessary, the District will provide instruction on using remote learning technology and IT support for students, teachers, and families. The District will also work to ensure that teachers and administrators are provided with professional development opportunities related to designing an effective remote learning experience.

(Continued)

SUBJECT: REMOTE LEARNING (Cont'd.)**Compliance with District Policies, Procedures, and the Code of Conduct**

Teachers and students are required to comply with any and all applicable District policies, procedures, and other related documents as they normally would for in-person instruction. Examples include, but are not limited to, the District's policies and procedures on non-discrimination and anti-harassment, acceptable use, and copyright. Students will also be required to abide by the rules contained within the Code of Conduct at all times while engaged in remote learning. Violations of the Code of Conduct and/or engaging in prohibited conduct may result in disciplinary action as warranted.

Privacy and Security of Student and Teacher Data

In compliance with law, regulation, and District policy, the District will take measures to protect the personal information of students and teachers from unauthorized access when using remote learning technologies. Examples of these measures include, but are not limited to, minimizing the amount of data shared to only that which is necessary, deidentifying data, and the use of encryption or an equivalent technical control that renders personally identifiable information unusable, unreadable, or indecipherable to unauthorized persons when transmitted electronically.

SUBJECT: STUDENT RECORDS: ACCESS AND CHALLENGE

The District shall comply with the provisions of the Family Educational Rights and Privacy Act of 1974 (FERPA). Under its provisions, parents or guardians and noncustodial parent(s), whose rights are not limited by court order or formal agreement, of a student under 18, or a student who is 18 years of age or older or who is attending an institution of post-secondary education, have a right to inspect and review any and all education records maintained by the District.

Education Records

The term "education records" is defined as all records, files, documents and other materials containing information directly related to a student; and maintained by the education agency or institution, or by a person acting for such agency or institution (34 Code of Federal Regulations (CFR) Section 99.3). This includes all records regardless of medium, including, but not limited to, handwriting, videotape or audiotape, electronic or computer files, film, print, microfilm, and microfiche.

In addition, for students who attend a public school district, all records pertaining to services provided under the Individuals with Disabilities Education Act (IDEA) are considered "education records" under FERPA. As such, they are subject to the confidentiality provisions of both Acts.

Personal notes made by teachers or other staff, on the other hand, are not considered education records if they are:

- a) Kept in the sole possession of the maker;
- b) Not accessible or revealed to any other person except a temporary substitute; and
- c) Used only as a memory aid.

Additionally FERPA does not prohibit a school official from disclosing information about a student if the information is obtained through the school official's personal knowledge or observation and not from the student's education records.

Records created and maintained by a law enforcement unit for law enforcement purposes are also excluded.

Access to Student Records

The Board directs that administrative regulations and procedures be formulated to comply with the provisions of federal law relating to the availability of student records. The purpose of such regulations and procedures shall be to make available to the parents or guardians of students and noncustodial parent(s) whose rights are not limited by court order or formal agreement, or students who are 18 years of age or older or who are attending an institution of post-secondary education, student records, and files on students, and to ensure the confidentiality of such records with respect to third parties.

(Continued)

SUBJECT: STUDENT RECORDS: ACCESS AND CHALLENGE (Cont'd.)

Under FERPA, unless otherwise exempted in accordance with law and regulation, the District may release personally identifiable information (PII) contained in student education records only if it has received a "signed and dated written consent" from a parent or eligible student. Signed and dated written consent may include a record and signature in electronic form provided that such signature:

- a) Identifies and authenticates a particular person as the source of the electronic consent; and
- b) Indicates such person's approval of the information contained in the electronic consent.

Exceptions

Without the consent of a parent or eligible student, a district may release a student's information or records when it is:

- a) Directory Information and Limited Directory Information

Directory information is information contained in an education record of a student that would not generally be considered harmful or an invasion of privacy if disclosed. Limited Directory Information Disclosure means that the District may limit disclosure of its designated directory information to specific parties, for specific purposes, or both. The intent is to allow schools the option to implement policies that allow for the disclosure of student information for uses such as yearbooks, but restrict disclosure for more potentially dangerous purposes. The District shall limit disclosure of its designated directory information as otherwise specified in its public notice to parents of students in attendance and eligible students in attendance.

- b) To School Officials who have a Legitimate Educational Interest

To other school officials, including teachers, within the educational agency or institution whom the school has determined to have legitimate educational interests. An educational interest includes the behavior of a student and disciplinary action taken against such student for conduct that posed a significant risk to the safety or well-being of the student, other students or other members of the school community. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

- c) To Another Educational Institution

The District may disclose any and all educational records, including disciplinary records and records that were created as a result of a student receiving special education services under Part B of IDEA, to another school or postsecondary institution at which the student seeks or intends to enroll, or after the student has enrolled or transferred, so long as the disclosure is

(Continued)

SUBJECT: STUDENT RECORDS: ACCESS AND CHALLENGE (Cont'd.)

for purposes related to the student's enrollment or transfer. Parental consent is not required for transferring education records if the school's annual FERPA notification indicates that such disclosures may be made. In the absence of information about disclosures in the annual FERPA notification, school officials must make a reasonable attempt to notify the parent about the disclosure, unless the parent initiated the disclosure. Additionally, upon request, schools must provide a copy of the information disclosed and an opportunity for a hearing.

d) For Health and Safety Emergency Reasons

School districts must balance the need to protect students' personally identifiable information with the need to address issues of school safety and emergency preparedness. Under FERPA, if an educational agency or institution determines that there is an articulable and significant threat to the health or safety of a student or other individuals, it may disclose information from education records, without consent, to any person whose knowledge of the information is necessary to protect the health and safety of the student or other individuals during the period of the health or safety emergency. School districts may release information from records to appropriate parties including, but not limited to, parents, law enforcement officials and medical personnel. A school district's determination that there is an articulable and significant threat to the health or safety of a student or other individuals shall be based upon a totality of the circumstances, including the information available, at the time the determination is made. The school district must record the articulable and significant threat that formed the basis for the disclosure and maintain this record for as long as the student's education records are maintained.

e) To Juvenile Justice Systems

Information may be disclosed to state and local officials or authorities to whom information is specifically allowed to be reported or disclosed by a state statute that concerns the juvenile justice system and the system's ability to effectively serve, prior to adjudication, the student whose records were released. In such cases the official or authority must certify in writing that the information will not be disclosed to any other party except as provided under law without prior written consent.

f) To Foster Care Agencies

A district may release records to an agency caseworker or other representative of a state or local child welfare agency, who has the right to access a student's case plan, when the agency or organization is legally responsible, for the care and protection of the student. This does not give a child welfare agency the right to look into any non-foster care student's records, without parental consent, when there has been a mere allegation of abuse or maltreatment, absent an order or subpoena (see below).

(Continued)

SUBJECT: STUDENT RECORDS: ACCESS AND CHALLENGE (Cont'd.)g) In accordance with a Subpoena or Court Order

When a district receives a subpoena or court order for the release of records the District must make a reasonable effort to notify the parent or guardian or eligible student of the order or subpoena in advance of compliance. This allows the parent or guardian or eligible student to seek protective action against the subpoena or order before the release of the records.

Districts may disclose a student's records without first notifying parents or guardians or eligible students if the disclosure is:

1. Based on a subpoena in which the court orders, for good cause shown, not to reveal to any person the existence or contents of the subpoena or any information furnished in accordance with the subpoena;
2. In accordance with a judicial order in cases where the parents are a party to a court proceeding involving child abuse or maltreatment or dependency matters, and the order is issued in the context of that proceeding; or
3. Made to a court (with or without an order or subpoena) when a District is involved in a legal action against a parent or student and the records are relevant to the matter.

h) For Financial Aid Purposes

Pertinent information may be released in connection with the determination of eligibility, amount, conditions and enforcement of terms of a student's financial aid.

i) To Accrediting Organizations

Disclosure of a student's records may be made to an organization in which that student seeks accreditation, in order to carry out their accrediting function.

j) To Parents of a Dependent Student

Even when a student turns 18 years of age or older a District may disclose education records to that student's parents, without the student's consent, if the student is claimed as a dependent for federal income tax purposes by either parent.

k) For Audit/Evaluation Purposes

The audit or evaluation exception allows for the disclosure of PII from education records without consent to authorized representatives of the Comptroller General of the U.S., the Attorney General, the Secretary of Education, federal, state or local educational authorities

(Continued)

SUBJECT: STUDENT RECORDS: ACCESS AND CHALLENGE (Cont'd.)

("FERPA permitted" entities). Under this exception, PII from education records must be used to audit or evaluate a federal or state supported education program, or to enforce or comply with federal legal requirements that relate to those education programs (audit, evaluation, or enforcement or compliance activity).

The District may, from time to time, disclose PII from education records without consent to authorized representatives of the entities listed above. The District may also, from time to time, designate its own authorized representative who may access PII without consent in connection with an audit or evaluation of an education program within the District. As an example, the District might designate a university as its authorized representative in order to disclose, without consent, PII from education records on its former students to the university. The university could then disclose, without consent, transcript data on those former students attending the university to allow the District to evaluate how effectively the District prepared its students for success in postsecondary education.

l) For Conducting Studies

This exception allows for the disclosure of PII from education records without consent to organizations conducting studies for, or on behalf of, schools, school districts or postsecondary institutions. Studies can be for the purpose of developing, validating, or administering predictive tests; administering student aid programs; or improving instruction.

The District may, from time to time, disclose PII from education records without consent to such organizations conducting studies for the District, in accordance with its obligations under FERPA.

In addition, other entities outside of the District may, from time to time, disclose PII from education records that the District has previously shared with that entity, to organizations conducting studies on behalf of the District. For example, a State Education Agency (SEA) may disclose PII from education records provided by the District without consent to an organization for the purpose of conducting a study that compares program outcomes across school districts to further assess the effectiveness of such programs with the goal of providing the best instruction.

Required Agreements for the Studies or Audit/Evaluation Exceptions (see items k and l)

To the extent required by law, the District shall enter into a written agreement with organizations conducting studies for the District, or, with its designated authorized representatives in connection with audits or evaluations of education programs within the District. In the event that the District discloses PII from education records to its own designated authorized representative in connection with an audit or evaluation of an educational program within the District, it shall use reasonable methods to ensure to the greatest extent practicable that its designated authorized representative complies with FERPA and its regulations.

(Continued)

SUBJECT: STUDENT RECORDS: ACCESS AND CHALLENGE (Cont'd.)**Challenge to Student Records**

Parents or guardians of a student under the age of 18, or a student who is 18 years of age or older or who is attending an institution of post-secondary education, shall have an opportunity for a hearing to challenge the content of the school records, to ensure that the records are not inaccurate, misleading, or otherwise in violation of the privacy of students, and to provide an opportunity for the correction or deletion of any such inaccurate, misleading, or otherwise inappropriate data contained therein.

Release of Information to the Noncustodial Parent

The District may presume that the noncustodial parent has the authority to request information concerning his or her child and release such information upon request. If the custodial parent wishes to limit the noncustodial parent's access to the records, it would be his or her responsibility to obtain and present to the school a legally binding instrument that prevents the release of said information.

~~Parents' Bill of Rights~~

~~—The District posts a parents' bill of rights for data privacy and security on its website, and it includes this bill of rights with every contract it enters into with a third-party contractor that receives student, teacher, or principal data. The bill of rights informs parents of the legal requirements regarding privacy, security, and use of student data.~~

SUBJECT: SPORTS AND THE ATHLETIC PROGRAM**General Principles and Eligibility**

Athletics are an integral part of a well-balanced educational program. The District's interscholastic athletic program will conform with the Commissioner's regulations, as well as the established rules of the New York State Public High School Athletic Association and the State Education Department.

Athletic eligibility requires that the student:

- a) Provide written parental/guardian consent. The consent form must contain information regarding mild traumatic brain injuries (concussions) as specified in the Commissioner's regulations.
- b) Obtain medical clearance from the school physician/nurse practitioner or the student's personal physician. The school physician/nurse practitioner retains final approval on any physicals performed by a student's personal physician.
- c) Meet the requirements for interscholastic competition as set forth by the Commissioner's regulations and the New York State Public High School Athletic Association.
- d) Comply with all District rules, codes, and standards applicable to athletic participation.

Title IX Compliance

The Board supports equal athletic opportunities for members of both sexes through interscholastic and intramural activities. To ensure equal athletic opportunities for its students, the District will consider:

- a) Its accommodation of athletic interests and abilities (the nature and extent of sports offered, including levels of competition, team competition, and team performance);
- b) Equipment and supplies;
- c) Scheduling of games and practice time;
- d) Travel costs and opportunities for travel;
- e) Assignment and compensation of coaches;
- f) Locker rooms, practice, and competitive facilities;
- g) Available medical and training facilities and services; and

(Continued)

SUBJECT: SPORTS AND THE ATHLETIC PROGRAM (Cont'd.)

- h) The nature and extent of support, publicity, and promotion, including cheerleading, bands, programs distributed at games, and booster club activities.

The District may consider other pertinent factors as well. Each of the factors will be assessed by comparing availability, quality, type of benefits, kind of opportunities, and form of treatment. Identical benefits, opportunities, or treatment are not required.

The District's ~~Civil Rights Compliance Officer~~ **Title IX Coordinator(s)** will coordinate the District's efforts to comply with and carry out its responsibilities under Title IX. This person will be appropriately trained and possess comprehensive knowledge about applicable federal and state laws, regulations, and policies. To the extent possible, the District will not designate an employee whose other job duties may create a conflict of interest, such as the athletic director.

Booster Clubs

The District has a responsibility under Title IX to ensure that boys' and girls' programs are provided with equivalent benefits, treatment, services, and opportunities regardless of their source. When determining equivalency, therefore, benefits, services, and opportunities attained through private funds—including donations, fundraising, and booster clubs—must be considered in combination with all benefits, services, and opportunities.

Athletic Placement Process for Interschool Athletic Programs (APP)

The APP is a method for evaluating students who want to participate in sports at higher or lower levels, consistent with their physical and emotional maturity, size, fitness level, and skills. The Board approves the use of the APP for all secondary school interscholastic team members. The Superintendent will implement procedures for the APP, and will direct the athletic director to maintain records of students who have successfully completed the APP.

Student Athletic Injuries

No injured student will be allowed to practice or play in an athletic contest. An appropriate medical professional should diagnose and treat an athlete's injuries. The coach should ensure that any player injured while under his or her care receives prompt and appropriate medical attention, and that all of the medical professional's treatment instructions are followed. The injured student has an obligation to promptly inform his or her coach of all injuries. No student will be allowed to practice or compete if there is a question whether he or she is in adequate physical condition. A physician's certification may be required before an athlete is permitted to return to practice or competition.

(Continued)

SUBJECT: SPORTS AND THE ATHLETIC PROGRAM (Cont'd.)**Athletic Program-Safety**

The District will take reasonable steps to minimize physical risks posed to students participating in the interscholastic athletic program by:

- a) Requiring timely medical examinations of participants;
- b) Employing certified or licensed staff to coach all varsity, junior varsity, and modified practices and games;
- c) Providing or requiring certified or licensed officials to officiate all competitions;
- d) Ensuring that its players' equipment is safe and operates within the applicable manufacturers' guidelines;
- e) Ensuring that all home fields, courts, pools, tracks, and other areas where athletes practice, warm-up, or compete are safe and appropriate for use; and
- f) Providing professional development and training opportunities for all coaching staff.

SUBJECT: IMMUNIZATION OF STUDENTS

Every child entering or attending a District school must present proof of immunization or proof of immunity by serology (blood test) if applicable unless a New York State licensed physician certifies that the immunization is **may be** detrimental to the child's health. The requirement for that immunization is waived until the immunization is no longer detrimental to the child's health. **Medical exemptions must be reissued annually.**

Except for ~~this~~ **a valid medical** exemption, the District ~~may~~ **will** not permit a child lacking **acceptable** evidence of **required** immunizations to remain in school for more than 14 days or more than 30 days for an out-of-state or out-of-country transferee who can show a good faith effort to get the necessary certification or other evidence of immunization.

~~The administration will notify the local health authority of the name and address of excluded children and provide the parent or person in parental relation a statement of his or her duty regarding immunization as well as a consent form prescribed by the Commissioner of Health. The school will cooperate with the local health authorities to provide a time and place for the immunization of these children.~~

Whenever a child has been refused admission to or continued attendance at a District school for lack of acceptable evidence of immunization, immunity, or exemption, the principal of the school will:

- a) Notify the person in parental relation to the child of his or her responsibility to have the child immunized and of the public resources available for doing so;**
- b) Notify the local health authority of the name and address of the excluded child and of the immunization or immunizations which the child lacks; and**
- c) Provide, with the cooperation of the local health authority, for a time and place at which the required immunization or immunizations may be administered.**

For homeless children, the enrolling school must immediately refer the ~~parent or guardian~~ **person in parental relation to** ~~of the child~~ to the District's homeless liaison, who must assist them in obtaining the necessary immunizations, ~~or immunization~~ or medical records.

The District will provide an annual summary of compliance with immunization requirements to the Commissioner of Health.

All schools will also post educational information on influenza and the benefits of influenza immunization which will be in plain view and available to ~~parents~~ **persons in parental relation.**

SUBJECT: CHILD ABUSE AND MALTREATMENT**Child Abuse in a Domestic Setting**

The District takes seriously the obligations of its officers and employees to report cases of child abuse or maltreatment. To this end, regulations will be developed, maintained, and disseminated by administration regarding the:

- a) Mandatory reporting of suspected child abuse or maltreatment;
- b) Reporting procedures and obligations of persons required to report;
- c) Provisions for taking a child into protective custody;
- d) Mandatory reporting of deaths;
- e) Immunity from liability and penalties for failure to report;
- f) Obligations for provision of services and procedures necessary to safeguard the life or health of a child; and
- g) Provision of information in recognizing signs of unlawful methamphetamine laboratories for all current and new school officials (i.e., "mandated reporters") who, as part of their usual responsibilities, visit children's homes.

Additionally, an ongoing training program for all current and new school officials will be established and implemented to enable the staff to carry out their reporting responsibilities.

Reporting Information

The District will post the child abuse hotline telephone number and directions for accessing the Office of Children and Family Services (OCFS) website in English and Spanish on its website and in clearly and highly visible areas of school buildings. The District will also make this information available from its administrative offices; provide it to parents and persons in parental relation at least once per school year by electronic communication, sending the information home with students, or otherwise; and provide it to each teacher and administrator. The District may post and provide this information in other, common languages used by the school community.

Persons Required to Report

Persons required to report cases of child abuse or maltreatment to the State Central Register (SCR) in accordance with Social Services Law Section 413(1) include, but are not limited to, school teachers, school counselors, school psychologists, school social workers, school nurses, school administrators or

SUBJECT: CHILD ABUSE AND MALTREATMENT (Cont'd.)

other school personnel required to hold a teaching or administrative license or certificate, and full- or part-time compensated school employees required to hold a temporary coaching license or professional coaching certificate.

All mandated reporters must make the report themselves and then immediately notify the building principal or designee. The building principal or designee will be responsible for all subsequent administration necessitated by the report. Any report must include the name, title, and contact information for every staff member who is believed to have direct knowledge of the allegations in the report.

Prohibition of Retaliatory Personnel Action

The District will not take any retaliatory personnel action against an employee because the employee believes that he or she has reasonable cause to suspect that a child is an abused or maltreated child and that employee makes a report to SCR. Further, no school official will impose any conditions, including prior approval or prior notification, upon any staff member specifically designated a mandated reporter.

"Retaliatory personnel action" means the discharge, suspension, or demotion of an employee, or other adverse employment action taken against an employee in the terms and conditions of employment.

Report Form

The "Report of Suspected Child Abuse or Maltreatment" Form LDSS-2221A may be accessed at the OCFS website.

SUBJECT: CHILD ABUSE AND MALTREATMENT (Cont'd.)

In any case where an oral or written allegation is made to a school bus driver employed by a school or a person or entity that contracts with a school to provide transportation services to children that a child has been subjected to child abuse by an employee or volunteer in an educational setting, that school bus driver will upon receipt of the allegation, promptly report or cause a report to be made to his or her supervisor employed by the school or the contracting person or entity.

In any case where an oral or written report or allegation is made to a supervisor who is employed by a school or a person or entity that contracts with a school to provide transportation services to children from a person employed by the school or the contracted person or entity that a child has been subjected to child abuse by an employee or volunteer in an educational setting, the supervisor must, upon receipt of an allegation:

- a) Promptly complete a written report of the allegation including the full name of the child alleged to be abused; the name of the child's parent or guardian; the identity of the person making the allegation and their relationship to the alleged child victim; the name of the employee or volunteer against whom the allegation was made; and a listing of the specific allegations of child abuse in an educational setting. This written report must be completed on a form prescribed by the Commissioner.
- b) Ensure that the written report is personally delivered to the Superintendent employed by the school district where the child abuse occurred or, for a school other than a school district or public school, the school administrator employed by the school where the child abuse occurred.

In any case where it is alleged a child was abused by an employee or volunteer of a school other than a school within the school district of the child's attendance, the report of these allegations will be promptly forwarded to the Superintendent of the school district of the child's attendance and the Superintendent of the school district where the abuse of the child allegedly occurred. If a case involves a school that is not a school district or public school, the appropriate school administrator or administrators, in addition to any appropriate Superintendent, must be notified of the allegations of abuse.

If it is alleged the child was abused by the Superintendent or administrator, the report of the allegations will be made to another designated administrator.

Upon receipt of a written report alleging child abuse in an educational setting, a school administrator or Superintendent must then determine whether there is reasonable suspicion to believe that an act of child abuse has occurred. If it is determined that reasonable suspicion exists, the school administrator or Superintendent must follow the procedures mandated in law and further described in administrative regulations including parental notification. When the school administrator receives a

written report, he or she must promptly provide a copy of the report to the Superintendent. The report must be promptly forwarded to appropriate law enforcement. In no event will reporting to law enforcement be delayed by an inability to contact the Superintendent.

Where the Superintendent or, in a school other than a school district or public school, the school administrator has forwarded a written report of child abuse in an educational setting to law enforcement authorities, he or she will also refer the report to the Commissioner if the employee or volunteer alleged to have committed an act of child abuse holds a certification or license issued by NYSED.

Civil Immunity

Any employee, volunteer, or supervisor who is employed by a person or entity that contracts with a school to provide transportation services to children who reasonably and in good faith makes a report of allegations of child abuse in an educational setting in accordance with the reporting requirements of the law will have immunity from civil liability which might otherwise result by reason of those actions.

Any school administrator or Superintendent who reasonably and in good faith makes a report of allegations of child abuse in an educational setting, or reasonably and in good faith transmits a report to a person or agency as required by law, will have immunity from civil liability which might otherwise result by reason of those actions.

Confidentiality

Reports and other written material submitted in accordance with law with regard to allegations of child abuse in an educational setting, and photographs taken concerning those reports that are in the possession of any person legally authorized to receive that information, will be confidential and will not be redisclosed except to law enforcement authorities involved in an investigation of child abuse in an educational setting or as expressly authorized by law or in accordance with a court-ordered subpoena. School administrators and the Superintendent will exercise reasonable care in preventing unauthorized disclosure.

Training

The District will implement a training program regarding child abuse in an educational setting for all current and new teachers, school nurses, school counselors, school psychologists, school social workers, school administrators, Board members, other school personnel required to hold a teaching or administrative license or certificate, and any school bus driver or supervisor employed by the District or any person or entity that contracts with the District to provide transportation services to children, as well as licensed and registered physical therapists, licensed and registered occupational therapists, licensed and registered speech-language pathologists, teacher aides, and school resource officers.

SUBJECT: CHILD ABUSE AND MALTREATMENT (Cont'd.)**Prohibition of "Silent" (Unreported) Resignations**

The Superintendent and other school administrators are prohibited from withholding from law enforcement authorities, the Superintendent, or the Commissioner, as appropriate, information concerning allegations of child abuse in an educational setting against an employee or volunteer in exchange for that individual's resignation or voluntary suspension from his or her position.

The Superintendent or other school administrator who reasonably and in good faith reports to law enforcement officials information regarding allegations of child abuse or a resignation as required by law will have immunity from any liability, civil or criminal, which might otherwise result by reason of those actions.

Notification

Teachers and all other school officials will be provided an annual written explanation concerning the reporting of child abuse and child abuse in an educational setting including the immunity provisions as set forth in law. The Commissioner will furnish the District with required information, including rules and regulations for training necessary to implement District and staff responsibilities under the law.

Prohibition on Aiding and Abetting Sexual Abuse

Unless exempted by law, no District employee, contractor, or agent of the District will assist another District employee, contractor, or agent in obtaining a new job, apart from the routine transmission of administrative and personnel files, if the individual or agency knows or has probable cause to believe, that the individual engaged in sexual misconduct regarding a minor or student in violation of the law.

SUBJECT: DIGNITY FOR ALL STUDENTS**Overview**

The District seeks to create an environment free of harassment, bullying, and discrimination; to foster civility in its schools; and to prevent conduct that is inconsistent with its educational mission. This policy is just one component of the District's overall commitment to maintaining a discrimination and harassment-free educational and work environment.

The District, therefore, prohibits all forms of harassment and bullying of students by employees or other students on school property and at school functions. The District further prohibits discrimination against students, including, but not limited to, discriminatory acts based on a person's actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender, or sex by employees or other students on school property and at school functions.

In addition, other acts of harassment, bullying, and/or discrimination that occur off school property may be subject to discipline or other corrective action, where such acts create or would foreseeably create a risk of substantial disruption within the school environment, where it is foreseeable that the conduct, threats, intimidation, or abuse might reach school property.

The District adopts this policy as part of its effort to provide for the prompt and equitable resolution of complaints of harassment, bullying, and/or discrimination of students. The District will promptly respond to reports of harassment, bullying, and/or discrimination of students, ensure that all investigations are conducted within a reasonably prompt time frame and under a predictable fair grievance process that provides due process protections, and impose disciplinary measures and implement remedies when warranted.

Inquiries about this policy may be directed to the District's Dignity Act Coordinator(s) (DAC(s)).

Dignity Act Coordinator

In each of its schools, the District will designate at least one employee to serve as the DAC and receive reports of harassment, bullying, and/or discrimination. Each DAC will be:

- a) Approved by the Board;
- b) Licensed and/or certified by the Commissioner as a classroom teacher, school counselor, school psychologist, school nurse, school social worker, school administrator or supervisor, or Superintendent;
- c) Instructed in the provisions of the Dignity for All Students Act and its implementing regulations;

- d) Thoroughly trained to handle human relations in the areas of race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender, and sex;
- e) Provided with training which addresses the social patterns of harassment, bullying, and discrimination, including, but not limited to, those acts based on a person's actual or perceived race, color, weight, national origin, ethnic group, religion, religious practice, disability, sexual orientation, gender, and sex;
- f) Provided with training in the identification and mitigation of harassment, bullying, and discrimination; and
- g) Provided with training in strategies for effectively addressing problems of exclusion, bias, and aggression in educational settings.

The District will widely disseminate the name, designated school, and contact information of each DAC to all school personnel, students, and parents or persons in parental relation by:

- a) Listing it in the *Code of Conduct*, with updates posted on the District's website;
- b) Including it in the *Code of Conduct's* plain language summary provided to all parents or persons in parental relation to students before the beginning of each school year;
- c) Providing it to parents or persons in parental relation in at least one District or school mailing or other method of distribution each school year, including, but not limited to, electronic communication and/or sending information home with each student. If the information changes, parents and persons in parental relation will be notified in at least one subsequent District or school mailing, or other method of distribution as soon as practicable thereafter;
- d) Posting it in highly visible areas of school buildings; and
- e) Making it available at the District and school-level administrative offices.

If a DAC vacates his or her position, the District will immediately designate another eligible employee as an interim DAC, pending approval of a successor DAC from the Board within 30 days of the date the position was vacated. In the event a DAC is unable to perform his or her duties for an extended period of time, the District will immediately designate another eligible employee as an interim DAC, pending the return of the previous individual to the position.

SUBJECT: DIGNITY FOR ALL STUDENTS (Cont'd.)**Training and Awareness**

Each year, all employees will be provided with training to promote a supportive school environment that is free from harassment, bullying, and discrimination, and to discourage and respond to incidents of harassment, bullying, and/or discrimination. This training may be provided in conjunction with existing professional learning and will be conducted consistent with guidelines approved by the Board, and will include training to:

- a) Raise awareness and sensitivity to potential acts of harassment, bullying, and discrimination;
- b) Address social patterns of harassment, bullying, and discrimination;
- c) Inform employees on the identification and mitigation of harassment, bullying, and discrimination;
- d) Enable employees to prevent and respond to incidents of harassment, bullying, and discrimination;
- e) Make employees aware of the effects of harassment, bullying, cyberbullying, and discrimination on students;
- f) Provide strategies for effectively addressing problems of exclusion, bias, and aggression;
- g) Include safe and supportive school climate concepts in curriculum and classroom management; and
- h) Ensure the effective implementation of school policy on conduct and discipline.

Rules against harassment, bullying, and discrimination will be included in the *Code of Conduct*, publicized District-wide, and disseminated to all staff and parents or persons in parental relation. Any amendments to the *Code of Conduct* will be disseminated as soon as practicable following their adoption. The District will provide new employees with a complete copy of the current *Code of Conduct* upon beginning their employment, and distribute an age-appropriate summary to all students at a school assembly at the beginning of each school year.

Internal Reports and Investigations of Harassment, Bullying, and/or Discrimination

All District employees who witness or receive an oral or written report of harassment, bullying, and/or discrimination are required to take action. District employees must make an oral report promptly to the Superintendent or principal, their designee, or the DAC not later than one school day after

witnessing or receiving an oral or written report of harassment, bullying, and/or discrimination. No later than two school days after making the oral report, the District employee must file a written report with the Superintendent or principal, their designee, or the DAC.

The Superintendent or principal, their designee, or the DAC will lead or supervise the thorough investigation of all reports of harassment, bullying, and/or discrimination and ensure that all investigations are promptly completed after the receipt of a written report. In investigating any allegation, the investigator may seek the assistance of the District's Civil Rights Compliance Officer(s) (CRCO(s)) and/or Title IX Coordinator(s) in investigating, responding to, and remedying complaints of harassment, bullying, and/or discrimination.

Additionally, other District policies and documents address harassment, bullying, and discrimination of students. These policies and documents may include: Policy #3420 -- Non-Discrimination and Anti-Harassment in the District; Policy #3421 -- Title IX and Sex Discrimination; Policy #7551 -- Sexual Harassment of Students; and the District's *Code of Conduct*. All complaints will be handled in accordance with the applicable District policies and/or documents.

The determination as to which District policies and/or documents are applicable is fact specific, and the DAC may work with other District staff such as the District's CRCO(s) and/or Title IX Coordinator(s) to determine which District policies and/or documents are applicable to the specific facts of the complaint.

When an investigation verifies a material incident of harassment, bullying, and/or discrimination, the Superintendent or principal, their designee, or the DAC will take prompt action, consistent with applicable laws and regulations as well as the District's *Code of Conduct*, reasonably calculated to end the harassment, bullying, and/or discrimination, eliminate any hostile environment, create a more positive school culture and climate, prevent recurrence of the behavior, and ensure the safety of the student or students against whom the behavior was directed.

The Superintendent or principal, their designee, or the DAC will promptly notify the appropriate local law enforcement agency when it is believed that any harassment, bullying, and/or discrimination constitutes criminal conduct.

Reporting IncidentsReporting Incidents to the Superintendent

At least once during each school year, each building principal will provide a report on data and trends related to harassment, bullying, and/or discrimination to the Superintendent in a manner prescribed by the District. This report will be used to submit the annual School Safety and the Educational Climate (SSEC) Summary Data Collection form to the State Education Department (SED).

(Continued)

SUBJECT: DIGNITY FOR ALL STUDENTS (Cont'd.)**Reporting of Material Incidents to the Commissioner of Education**

Each school year, the District will submit to the Commissioner a report of material incidents of harassment, bullying, and/or discrimination that occurred during the school year in accordance with law and regulation. This report will be submitted in a manner prescribed by the Commissioner, on or before the basic educational data system (BEDS) reporting deadline or other date determined by the Commissioner.

Prohibition of Retaliatory Behavior (Commonly Known as "Whistle-Blower" Protection)

Any person who has reasonable cause to suspect that a student has been subjected to harassment, bullying, and/or discrimination by an employee or student on school grounds or at a school function, and who acts reasonably and in good faith in reporting it to school officials, the Commissioner, or law enforcement authorities, or who otherwise initiates, testifies, participates, or assists in any formal or informal proceedings, will have immunity from any civil liability that may arise from making that report, or from initiating, testifying, participating, or assisting in those proceedings. The District also prohibits any retaliatory behavior directed against any complainant, victim, witness, or any other individual who participated in the reporting or investigation of an incident of alleged harassment, bullying, and/or discrimination.

Publication of District Policy

At least once during each school year, all employees, students, and parents or persons in parental relation will be provided with a written or electronic copy of this policy, or a plain-language summary of it. The policy or summary will include information relating to how students, parents or persons in parental relation, and employees may report harassment, bullying, and/or discrimination. Additionally, the District will maintain a current version of this policy on its website at all times.

Application

Nothing in this policy or its implementing regulations should be interpreted to preclude or limit any right or cause of action provided under any local, state, or federal ordinance, law or regulation including, but not limited to, any remedies or rights available under the Individuals with Disabilities Education Act, Title VII of the Civil Rights Law of 1964, Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act of 1990.

SUBJECT: SEXUAL HARASSMENT OF STUDENTS**Overview**

The District is committed to creating and maintaining an environment which is free from discrimination and harassment. This policy addresses sexual harassment of students. It is just one component of the District's overall commitment to maintaining a discrimination and harassment-free educational and work environment.

Consistent with this commitment and in accordance with law and regulation, the District prohibits all forms of sexual harassment of students by any individual on school property and at school functions which, for purposes of this policy, means a school-sponsored or school-authorized extracurricular event or activity regardless of where the event or activity takes place, including any event or activity that may take place virtually or in another state.

The District adopts this policy as part of its effort to provide for the prompt and equitable resolution of complaints of sexual harassment of students. The District will promptly respond to reports of sexual harassment of students, ensure that all investigations are conducted within a reasonably prompt time frame and under a predictable fair grievance process that provides due process protections, and impose disciplinary measures and implement remedies when warranted.

Inquiries about this policy may be directed to the District's Civil Rights Compliance Officer(s) (CRCO(s)), Title IX Coordinator(s), and/or the Dignity Act Coordinator(s) (DAC(s)).

What Constitutes Sexual Harassment

Sexual harassment is a form of sex discrimination and is unlawful. It includes harassment on the basis of sex, sexual orientation, self-identified or perceived sex, gender expression, gender identity, and the status of being transgender. Sexual harassment can occur between any individuals, regardless of their sex or gender.

Generally stated, sexual harassment consists of subjecting an individual to unwelcome conduct which is either of a sexual nature or which is directed at an individual because of that individual's sex.

This conduct may, among other things, have the purpose or effect of: creating an intimidating, hostile, or offensive environment; substantially or unreasonably interfering with a student's educational performance, opportunities, benefits, or well-being; or otherwise adversely affecting a student's educational opportunities. Petty slights or trivial inconveniences generally do not constitute harassing conduct.

Determinations as to whether conduct or an incident constitutes sexual harassment will be made consistent with applicable law and regulation, as well as any applicable District policy, regulation,

procedure, or other document such as the District's *Code of Conduct*. The examples below are intended to serve as a general guide for individuals in determining what may constitute sexual harassment. These examples should not be construed to add or limit the rights that students possess as a matter of law.

Examples of Sexual Harassment

Sexual harassment can be verbal, non-verbal, or physical. Examples of this conduct may include, but are not limited to, the following:

- a) Unwanted physical acts of a sexual nature, such as:
 - 1. Touching, pinching, patting, kissing, hugging, grabbing, brushing against another person's body, or poking another person's body; and
 - 2. Rape, sexual battery, molestation, or attempts to commit these assaults.
- b) Engaging in sexual conduct with an individual who is unable to consent due to age, use of drugs or alcohol, intellectual disability, or other disability.
- c) Unwanted sexual advances or propositions, such as:
 - 1. Demanding sexual favors of a student, insinuating that refusal to acquiesce to such favors will adversely affect a student's grades, references, academic or scholastic placement, and/or participation in extracurricular activities; and
 - 2. Subtle or obvious pressure for unwelcome sexual activities.
- d) Verbal abuse or ridicule, including profanity, innuendoes, stories, and jokes that are sexual in nature and/or gender-related. This might include inappropriate sex-oriented comments on appearance, including dress or physical features.
- e) Asking or commenting about an individual's sexual activities.
- f) Hostile actions taken against an individual because of that individual's sex, sexual orientation, gender identity, and the status of being transgender.
- g) Displaying or distributing pornographic or other sexually explicit materials (print or digital) such as magazines, pictures, cartoons, etc.
- h) Unwelcome staring, leering, or gesturing which is sexually suggestive in nature.
- i) Unwelcome and/or offensive public displays of sexual or physical affection.

Students

SUBJECT: SEXUAL HARASSMENT OF STUDENTS (Cont'd.)

- j) Clothing that reflects sexually obscene and/or sexually explicit messages, slogans, or pictures.
- k) Any other unwelcome and unwanted sexually oriented and/or gender-based behavior which is sexually demeaning, belittling, intimidating, or perpetrates sexual stereotypes and attitudes.

Reporting Allegations of Sexual Harassment

In order for the District to enforce this policy, and to take corrective action as warranted, it is essential that students who believe that they have been a victim of sexual harassment in the school environment, as well as any other person who has knowledge of or witnesses any possible sexual harassment, immediately report the alleged conduct or incident. Reports of sexual harassment may be made orally or in writing to any District employee including, but not limited to, a teacher, building principal, CRCO, Title IX Coordinator, or DAC.

All District employees who witness or receive an oral or written report of sexual harassment must immediately inform the CRCO. Failure to immediately inform the CRCO may subject the employee to discipline up to and including termination. If the CRCO is unavailable, including due to a conflict of interest or other disqualifying reason, the report will be directed to another CRCO, if the District has designated another individual to serve in that capacity. If the District has not designated another CRCO, the Superintendent will ensure that another person with the appropriate training and qualifications is appointed to act as the CRCO.

Additionally, District employees must comply with reporting requirements in any other applicable District policy or document. Applicable policies or documents may include: Policy #3420 -- Non-Discrimination and Anti-Harassment in the District; Policy #3421 -- Title IX and Sex Discrimination; Policy #7550 -- Dignity for All Students; and the District's *Code of Conduct*.

Grievance Process for Complaints of Sexual Harassment

The District will act to promptly, thoroughly, and equitably investigate all complaints, whether oral or written, of sexual harassment of students and will promptly take appropriate action to protect students from further sexual harassment.

Various District policies and documents address sexual harassment of students. These policies and documents may include: Policy #3420 -- Non-Discrimination and Anti-Harassment in the District; Policy #3421 -- Title IX and Sex Discrimination; Policy #7550 -- Dignity for All Students; and the District's *Code of Conduct*. All complaints will be handled in accordance with the applicable District policies and/or documents.

SUBJECT: SEXUAL HARASSMENT OF STUDENTS (Cont'd.)

The determination as to which District policies and/or documents are applicable is fact specific, and the CRCO may work with other District staff such as the District's Title IX Coordinator(s) and/or DAC(s) to determine which District policies and/or documents are applicable to the specific facts of the complaint.

If an investigation reveals that sexual harassment has occurred, the District will take immediate corrective action as warranted. This action will be taken in accordance with applicable law and regulation, as well as any applicable District policy, regulation, procedure, collective bargaining agreement, third-party contract, or other document such as the District's *Code of Conduct*.

Prohibition of Retaliatory Behavior (Commonly Known as "Whistle-Blower" Protection)

The District prohibits retaliation against any individual because the individual made a report or complaint, testified, assisted, or participated or refused to participate in an investigation, proceeding, or hearing related to a complaint of sexual harassment.

Complaints of retaliation may be directed to the CRCO. If the CRCO is unavailable, including due to a conflict of interest or other disqualifying reason, the report will be directed to another CRCO, if the District has designated another individual to serve in that capacity. If the District has not designated another CRCO, the Superintendent will ensure that another person with the appropriate training and qualifications is appointed to act as the CRCO.

Where appropriate, follow-up inquiries will be made to ensure that the sexual harassment has not resumed and that those involved in the investigation have not suffered retaliation.

SUBJECT: HAZING OF STUDENTS

The Board District is committed to providing a safe, productive, and positive learning environment within its schools. Hazing activities are demeaning and abusive behaviors that harm victims, are inconsistent with the educational goals of the District, and may constitute criminal conduct. Consequently, hazing of students by other students or groups of students is strictly prohibited on school property, in school buildings, on school buses, by school-sponsored groups, clubs, or teams, and at school-sponsored events and/or activities whether occurring on or off-campus. Hazing is prohibited regardless of the victim's apparent willingness to participate in the activity.

For purposes of this policy, the term "hazing" is defined as any humiliating or dangerous activity expected of a student to join a group, regardless of their willingness to participate. Acts constituting hazing may range in severity from teasing or embarrassing a student to various forms of physical, emotional, and/or sexual abuse. Hazing behaviors include, but are not limited to:

- a) Humiliation: socially offensive, isolating, or uncooperative behaviors.
- b) Substance abuse: abuse of tobacco, alcohol, or illegal drugs.
- c) Other dangerous actions: hurtful, aggressive, destructive, and disruptive behaviors.

Hazing is a form of harassment and bullying, as those terms are defined for the purposes of Policy #7550 -- Dignity for All Students, and may constitute discrimination. SUBJECT: EQUAL EDUCATIONAL OPPORTUNITIES (Cont'd.)**Reporting Allegations of Discrimination**

In order for the District to enforce this policy, and to take corrective action as warranted, it is essential that students who believe that they have been a victim of discrimination, as well as any other person who has knowledge of or witnesses any possible discrimination, immediately report the alleged conduct or incident. Reports of discrimination may be made orally or in writing to any District employee including, but not limited to, a teacher, building principal, or CRCO.

and regulation, as well as any applicable District policy, regulation, procedure, collective bargaining agreement, third-party contract, or other document such as the District's *Code of Conduct*.

Prohibition of Retaliatory Behavior (Commonly Known as "Whistle-Blower" Protection)

The District prohibits retaliation against any individual because the individual made a report or complaint, testified, assisted, or participated or refused to participate in an investigation, proceeding, or hearing related to a complaint of discrimination.

Complaints of retaliation may be directed to the CRCO. If the CRCO is unavailable, including due to a conflict of interest or other disqualifying reason, the report will be directed to another CRCO, if the District has designated another individual to serve in that capacity. If the District has not designated another CRCO, the Superintendent will ensure that another person with the appropriate training and qualifications is appointed to act as the CRCO.

Where appropriate, follow-up inquiries will be made to ensure that the discrimination has not resumed and that those involved in the investigation have not suffered retaliation.

Instruction

SUBJECT: PATRIOTISM, CITIZENSHIP AND HUMAN RIGHTS EDUCATION

In order to promote a spirit of patriotic and civil service and obligation, as well as to foster in students of the District moral and intellectual qualities which are essential in preparing them to meet the obligations of citizenship, the Board requires students attending District schools, over the age of eight years, to attend instructional courses in patriotism, citizenship, civic education and values, our shared history of diversity, the role of religious tolerance in this country, and human rights issues, with particular attention to the study of the inhumanity of genocide, slavery (including the freedom trail and underground railroad), the Holocaust, and the mass starvation in Ireland from 1845 to 1850.

The Board also directs that all students attending District schools in grades 8 through 12 receive instruction in the history, meaning, significance and effect of the United States Constitution, the New York State Constitution, and the Declaration of Independence.

The curricula for such courses must include the subjects specified by the Board of Regents and be for the period of instruction, as mandated by the Regents, which is necessary in these subjects in each of the appropriate grades.

One week during each school year a uniform course of exercises shall be provided to teach students, in an age appropriate manner, the purpose, meaning and importance of the Bill of Rights Articles in the United States and New York State Constitutions. These exercises shall be in addition to the above required courses.

In addition, each school district that receives Federal Funds for a fiscal year shall hold an educational program on the United States Constitution on September 17th of each year for the students in the District to commemorate the September 17, 1787 signing of the Constitution, known as Constitution Day and Citizenship Day. However, when September 17 falls on a Saturday, Sunday, or holiday, this day shall be held during the preceding or following week.

The Board directs that the above named subjects, as mandated by law, be addressed in the instructional curricula provided by the District.

Dear Ms. Howard,

Attached is the application of Gregory & Mia Burch, Hartford Central School, Town of Granville, tax map number 133.-1-41 for a corrected school tax bill.

After investigating the circumstances involving the error, it is evident that the interior of the building had not been completed. The assessor had the incorrect inventory on the property record card. The total assessed value should be \$109,500.

This is a clerical error as defined in Real Property Tax Law Section 550 paragraph 2(g).

I recommend approval of the application and that a new tax bill be issued in the amount of \$1,917.32

Sincerely yours,

Laura B. Chadwick
