

Drug Free Looks Like Me!

Since 1988, more than 100,000 schools and organizations across the United States have been celebrating *Red Ribbon Week* each October. This is an opportunity for all of us to teach children about the dangers of drugs and to encourage good life choices: to be healthy, make good friends, make good decisions, achieve your goals, be strong, be kind, be brave, and be the person you want to be! Each year is a different slogan for celebrating Red Ribbon Week. Starting Monday, October 25th, Hartford's Pre-K through fifth grade students will have a daily theme to go along with our *Red Ribbon Week* celebration.
