9/12/2013

To All Parents / Guardians:

I wish to thank you for your patience and support in regards to the loss of power at the school on September 12th and the subsequent cancelation of classes for the day. The District was prepared to have the building open and fully functional for the students' arrival that morning, but, unfortunately, we were informed that power would not be restored until noon and, as a result, we were forced to cancel classes at the last minute. I apologize for the short notice and fully appreciate the challenge of making alternative arrangements for your children. It is the District's full intent to provide notice of school closings and/or delays as early in the morning as possible so that our parents and guardians have sufficient time to make all the necessary arrangements.

In order to help facilitate timely notices, the District has now partnered with a District-wide messenger system which has the ability to call our parents and guardians with important information and opportune reminders. The District is scheduling a test of this system for Tuesday, September 17th at 6:30p.m. If you do not receive this test call, please contact the District so that we can ensure that your contact information is correct. If you do receive the test call, no further action is necessary.

Again, thank you for your patience with the closure of school on the 12th. It is my hope that your power has now been restored and that any damage you incurred as a result of the storm is minimal. If you have any questions regarding the school closure or the new messenger system, please feel free to contact the District.

Andrew Cook
Superintendent
Hartford Central School District
