April 6, 2020

To All Parents / Guardians:

I would like to provide you with a quick update on the district's response on the cancellation of classes due to the COVID-19 virus.

- School Closure: Governor Cuomo recently announced that school districts will remain closed through April 29, 2020.
- NYS Regents Examinations: The New York State Board of Regents announced that the Regents exams scheduled for the June 2020 testing window have been cancelled. Additional information on revised graduation standards should be provided later this week.
- Special Deliveries: Our lunches have a special delivery vehicle this week! Members of the Hartford Fire Department are helping to deliver our lunches this week! If you receive a school lunch, make sure you are watching out your window.
 - If you are not currently receiving a lunch and wish to enroll in this program, please contact Mrs. Howe at 518-632-5222 extension 273. We are currently providing almost 130 lunches and would be honored to serve your family.
- New Educational Materials: Our faculty and staff are now working to proceed with providing new material instruction. Additional materials, including time expectations for each grade level will be posted on the district's website.
- Wi-Fi: The district's "Guest Wi-Fi" account is open and available for public use in the district's parking lot. Additional information is posted on the district's webpage.

I appreciate your continued support and patience as we collectively work through this difficult time.

If you have any questions, please feel free to contact the district at 518-632-5222.

Sincerely,

Andrew Cook
Superintendent
Hartford Central School District
