March 27, 2020

To All Parents / Guardians:

Earlier this morning, Governor Cuomo announced that he is extending the period of mandatory school closings through April 15, 2020.

Please be assured it is the district's intent to continue to provide daily lunches and educational materials to our students. Below is some important information related to the extended period of closure:

- Lunches: If you are not currently receiving a lunch and wish to enroll in this program, please contact Mrs. Howe at 518-632-5222, extension 273. We are currently providing almost 130 lunches and would be honored to be able to serve your family.
- Educational Materials: Our faculty and staff are continuing to work to provide educational opportunities for our students. We are preparing for another round of deliveries on Thursday, April 2, but are also hoping to prepare materials for remote access. More information will be provided in the near future.
- 3-8 Testing: New York State has cancelled all the 3-8 ELA, math, and science exams for the year.
- Regents Exams: There has not been any guidance provided on the administration of the NYS Regents exams. As soon as we received any information, I will make sure to share it with you.
- Technology: I am working with our technology team to open the wifi access and availability on school grounds, specifically in the parking lot. While the district is closed, we are hopeful to eventually allow wifi access in our parking lot for those families who need to connect. More information will be provided shortly.

I appreciate your continued support and patience as we collectively work through this difficult time.

If you have any questions, please feel free to contact the district at 518-632-5222.

Sincerely,

Andrew Cook  
Superintendent  
Hartford Central School District
