To All Parents / Guardians:

I am pleased to announced that the District has received a grant allowing us to offer free non-congregate summer meal service to students. This program is available at no cost to families, regardless of income.

As we begin to prepare to begin the service, please review the important information below:

- Meal service will begin on July 7 and continue through August 22.
- Deliveries will be made to student residences on Mondays and Wednesdays between 9am and 11am.
- Monday deliveries will include two breakfasts and two lunches per registered student. Wednesday deliveries will include three breakfasts and three lunches.
- Someone must be present at the time of delivery to receive the meals. Per program guidelines, meals cannot be left unattended.
- If you will be away during any part of the program (e.g., for a family vacation), and will not be home to receive meals, please contact the District to make arrangements.
- By signing up, you are providing consent for the District to deliver meals to your residence.
- To sign up, please contact either the Elementary Office or the Middle/High School Office.

If you have any questions on the program, please feel free to contact the District at 518-632-5222.

We are excited to offer this support and look forward to serving our students throughout the summer.

Sincerely,

Andrew Cook  
Superintendent  
Hartford Central School District
