To All Parents / Guardians:

The Hartford Central School District is excited to announce the implementation of a new school-to-home communication platform called ParentSquare. Beginning January 6, 2025, ParentSquare will serve as the primary method of communication for the District, replacing the current SchoolMessenger system.

While information will still be published on the Hartford Central School District's website and social media accounts, all direct communications (e.g., phone messages) will now be handled through ParentSquare.

Prior to January 6, you will receive an initial email and/or text message from ParentSquare with instructions to activate your account and log in.

In the coming weeks, we will provide additional information and resources to help you get acquainted with ParentSquare. To get started, please check out the following resources:

If you have any questions, please feel free to contact the District Office at 518-632-5222.

Sincerely,

Andrew Cook  
Superintendent  
Hartford Central School District
