To All Parents / Guardians:

When the 2023-2024 school calendar was initially adopted, the District made provisions to accommodate four snow days. As of today, the District has not used any of the allotted days. With the anticipation of the arrival of the spring season, the District is now in position to modify the calendar and return the unused snow days.

Pending any unforeseen school closures, classes will not be in session on the following days:

- Monday, April 8
- Friday, May 24
- Tuesday, May 28

In addition, the Superintendent's Conference Day scheduled for Wednesday, June 26 will also be cancelled for faculty and staff.

Please note, if the District is forced to cancel classes due to a weather-related event or other extenuating circumstance, the listed dates may have to be altered. However, the June 26 Superintendent's Conference Day would be the first date to return to the calendar.

If you have any questions on the calendar or your child's education, please feel free to contact the District at 518-632-5222.

Thank you!

Andrew Cook
Superintendent
Hartford Central School District
