

HARTFORD CENTRAL SCHOOL

Student Parking

Rules and Expectations

In the interest of safety, you will be required to comply with the rules and expectations listed below. Failure to do so could result in the revocation of your privilege of parking on school grounds, and if the situation warrants, your vehicle could be towed off school grounds at your expense.

In order to maintain your parking privileges, you must:

1. Maintain current vehicle information, on file, with the main office. You have been given permission to park one specific vehicle on school grounds. If you change vehicles, you must register the new vehicle with the main office.
2. Hold a valid driver's license in New York State.
3. Operate your motor vehicle in a safe manner, specifically, driving under 15 miles per hour while on school grounds.
4. Park your vehicle only in the area denoted with white lines.
5. Agree to allow your vehicle to be searched by school administration and/or law enforcement officials.
6. Maintain satisfactory academic grades. Students who are on "Academic Probation" must complete the re-eligibility process in order to maintain their parking privilege. Students who are on "Academic In-eligibility" will have the parking privileges revoked until they are removed from that list.

By signing your name below, you are agreeing to comply with the rules and expectations listed above.
